Counselling Services
Location: Room B270 University Centre Building
Hours: Mon-Fri 8:30-4:30
Phone: 250-721-8341
Web: www.coun.uvic.ca
Counselling Services offers confidential counselling to graduate students who have personal, career, or academic concerns. In addition to limited individual and relationship counselling, Counselling Services provides a wide range of group offerings. For current group offerings, please visit the Counselling Services website.

Personal, Academic, and Career Concerns
Counsellors are available to assist graduate students in their personal and professional development by supporting their ability to maintain balance in their personal and academic lives while pursuing graduate studies. Individuals may work with a counsellor to address such issues as mental health, personal and academic relationships, perfectionism, self esteem, cultural concerns or any concern which might interfere with one’s experience as a graduate student. Indigenous graduate students may access the support of the Indigenous counsellor through Counselling Services.

Specialized Groups:
Graduate Student Career Exploration
Counselling Services offers, in collaboration with Coop Education and Career Services, a Graduate Student Career Exploration Group. Appropriate for both academic and professional career paths, this 8 week group offers information, facilitates self exploration and helps you define your core motivators. Participants will explore research and networking, and effective and sustainable job search. We will utilize standard vocational assessment instruments, individual and group activities. This is open to registered UVic students. The workshop is free, but there is a $20 testing fee.

Interdisciplinary Thesis Completion Support Group
The Thesis Completion Support Group welcomes graduate students from all disciplines. Its purpose is to create a context for mutual support and encouragement, and a place to problem solve issues related to completing the thesis or dissertation. Past participants have found the group helpful in setting priorities and in making steady progress toward degree completion. The group engages in discussions of progress, obstacles, goal setting, and problem-solving. Periodically, we welcome guest scholars, drawn from the UVic community, who may discuss their own experience of thesis completion or offer workshops on topics of interest to the group.

Wellness Groups and Workshops
In addition to individual counselling and specialized groups, Counselling Services offers a diverse range of groups and workshops to all registered students. A few of our groups include:
- Managing Anxiety and Panic Attacks
- Depression Management
- Grief and Loss Support
- Yoga to Manage Mood
- Healthy Relationships Support
- Creating Self Workshop
- Relaxation
- Awareness Tools for Mood and Stress

In addition to groups regularly offered, Counselling Services will develop/facilitate groups for specific groups upon request and in collaboration (for example, Thesis support for International Students or Indigenous Graduate Students)

Please see our website for a complete listing of groups offered by semester and for contact information regarding specialized group requests. (www.coun.uvic.ca)

APPENDIX II

Tuition and Other Fees

Students, parents and sponsors are advised that the following tuition fees have been approved by the Board of Governors for the 2012-2013 academic year. Please note, however, that ancillary fees may still change.

GENERAL REGULATIONS

Students should note that the University reserves the right to change fees without notice. The University will give notice of any changes as far in advance as possible by means of a Calendar Supplement.

Student Responsibilities

• Students become responsible for their course or program fees upon registration. These fees may be adjusted only if a student officially drops courses, withdraws, cancels registration or changes status within specified time limits.

• Students are responsible for knowing in which courses they are registered. Students are required to formally drop courses, most often by using “My page”, rather than rely upon instructors to drop them due to non-attendance.

• Students waitlisted for courses are responsible for monitoring their registration status with both instructors and “My page”. The courses listed on the system are those for which the student will be assessed fees.

• Students are also responsible for knowing their fee obligations, either from the Calendar and any calendar supplements or through the UVic website. Graduate students are advised to consult the Graduate Admission and Records Office about their initial assessments and the effect of subsequent changes in registration.

Fee Accounts

The fees for a term may be made up of:

1. one full tuition installment if you are taking 3.0 or more units of courses, or project or thesis

2. one half tuition installment if you are taking less than 3.0 units and

3. any other fees assessed for that term.

Statements of account are not mailed to students. Students may view their account balances at <www.uvic.ca/mypage>. Students unable to obtain their tuition fee information from “My page” may call 250-721-7032 or 1-800-663-5260.

Overpayments and other credits in excess of term fees are applied to unpaid accounts or to the next term if a student is registered in the following term. Any remaining credit balance for a term will be refunded upon request.

Tuition fees for credit courses are exempt from the Harmonized Sales Tax (HST), but HST may be required on other fees.

Payment Due Dates

Fees are due by the following dates:

Summer Term May 31 if registered prior to May 31 or last day of the month in which you register

Fall term September 30

Spring term January 31

Any additional fees owing as a result of changes in a student’s registration are due by the end of the month in which the changes are made.

Payments must be received by the Accounting Services office by 4:00 pm on the due date (or on the preceding work day if the due date falls on a holiday or weekend). Students should note that web banking payments will be accepted until midnight on due dates.

Students are responsible for making their payment by the due date whether or not they received a statement of account. Students who have not paid their full fees by October 31 in the fall term and February 28 in the spring term may have their course registrations cancelled and be denied other services.

Making Payments

Students are asked to make their payments by Internet, telephone banking, or debit card. Due to commission rates, tuition fee payments cannot be made by credit card.

Students paying through Internet or telephone banking should allow at least 48 hours for funds to be transferred to Accounting Services.

Students may also send their payment by mail, with a cheque or money order (do not mail cash) made payable to the University of Victoria to:

University of Victoria
Accounting Services, Tuition Fees
Box 3040 STN CSC
Victoria BC V8W 3N7

Students may pay in person at the Tuition Fees counter, first Floor, University Centre, but are reminded that queues will be long just before due dates.

Students should ensure that their student number and the term (e.g., YYYY-MM) are written on the face of their cheque.

Overdue Accounts

A service charge of 1.5%, annualized at 19.56%, is added at each month end to accounts not paid by their due date.

Students with overdue tuition or other accounts may be denied services, including: registration; the addition of courses through web registration; the use of libraries and athletic and recreation facilities; access to classes and examinations; and receipt of loans, awards, grades, transcripts, degrees and documents certifying enrolment or registered status.

Students who have their registration cancelled for failing to pay their fees by a due date, or who withdraw or otherwise leave the University, remain liable for unpaid accounts. The University may take legal action or use collection agencies to recover unpaid accounts. Legal and collection costs incurred by the University in this process are added to a student’s account.

Tuition Receipts

Tuition receipts (T2202As) for income tax purposes are issued in February for the preceding calendar year. These forms are available on-line through <www.uvic.ca/mypage>.

Fee Reductions

To obtain fee reductions, students must drop courses through “My page” or submit written notice of changes in registration, on the Graduate Course Change Form, to the Graduate Admission and Records Office.

When fee reductions are granted, they will be based on either the date recorded in the web registration log, or the date on which written notice is received.
Students should not rely upon instructors to drop them from courses. Students are strongly urged to recheck their course registration status on “My page” before the full-fee-reduction deadlines, particularly if they have made course changes or have been waitlisted.

Please note that deadlines for obtaining fee reductions are different from course drop deadlines for academic purposes.

**Graduate Tuition Fee Reductions**
The following fee reductions apply to graduate students and auditors enrolled in graduate courses:

**Fall term assessments**
- **On or before:**
  - September 18: 100%
  - October 9: 50%

**Spring term assessments**
- **On or before:**
  - January 16: 100%
  - February 6: 50%

**Fee Reduction Appeals**
Students who believe a course drop has not been properly entered into their student record should contact the Graduate Admission and Records Office. Students who believe a fee reduction has not been correctly entered into their fee account should contact Accounting Services. If, following such action, a fee reduction issue remains unresolved, the student may submit an appeal in writing to the Graduate Fee Reduction Appeals Committee, c/o Manager, Tuition Fees, 1st Floor, University Center.

**REGULATIONS CONCERNING TUITION FEES FOR GRADUATE PROGRAMS**

**Standard tuition Fees for Certificate and Diploma Programs**
Tuition charged for Certificate and Diploma programs is paid by course on a per-unit basis at the Non-degree rate.

**Standard Tuition Fees for Degree Programs**

Students are charged a full tuition installment for every term during which they are registered full time in a degree program and a half tuition installment for every term in which they are registered half time or less in a degree program.

Tuition installments and ancillary fees are assessed for each of the three terms of the academic year (Fall, Spring, and Summer). Payment each term is either a full (1.0) or half (.50) tuition installment depending on whether registration is full or part time. See definition of full-time and part-time status, page 23.

**Tuition for International Students**
International students (those not holding Canadian citizenship or permanent residency at the beginning of the term) are required to pay international tuition for graduate programs and courses. Tuition will be adjusted to regular rates for students who show a permanent residency card before the (deadline for dropping courses) end of the term for each term (October 31, February 28 and June 30).

One (1.0) additional regular tuition installment will be assessed if a student remains registered after having paid 5.0 regular full tuition installments (for a total of 6.0).
  - If a student remains enrolled in a master’s degree after having paid 6.0 fee installments, reregistration fees will apply as described below.
- For students registered in a one-year master’s program (completed within 12 months), the minimum number of total tuition installments is 3.0. Current programs include English, French, History, Indigenous Governance, Applied Linguistics, and Political Science.
