Information for All Students

Academic Sessions

1. The Winter Session is divided into two terms: the first, September to December; the second, January to April. The period May through August is the Summer Session.
2. Credit courses offered in the Summer Session period (May-August) are listed on the Summer Session website at <www.uvic.ca/summer> in late February. Off-campus courses, courses offered at the Bamfield Marine Sciences Centre and summer travel study programs are also listed on the website. Academic rules and regulations published in the main University Calendar apply to students taking courses in the Summer Session period.

The University reserves the right to cancel courses when enrolment is insufficient.

Calendar Changes

The official academic year begins on May 1. Changes in calendar regulations normally take effect with the beginning of the Summer Session on May 1. Nevertheless, the University reserves the right to revise or cancel at any time any rule or regulation published in the Calendar or its supplements.

The Calendar does not include information on when courses will be offered. Up-to-date timetable information is available from individual department offices and from the Office of the Registrar (OREG) website <www.uvic.ca/timetable>. Amendments to the timetable are incorporated into the Class Schedule Search, which is accessible at the website: <www.uvic.ca/timetable>.

Course Values and Hours

Each course offered for credit has a unit value. A full-year course with three lecture hours per week through the full Winter Session from September to April normally has a value of 3 units. A half-year course with three lecture hours per week from September to December or from January to April normally has a value of 1.5 units. A 3-unit course (3 hours of lectures per week throughout the Winter Session) approximates a 6 semester-hour or a 9 quarter-hour course. A course of 1.5 units approximates a 3 semester-hour or a 4.5 quarter-hour course.

Course Experience Survey (CES)

Towards the end of every course at the University of Victoria, all students will have the opportunity to complete a brief, anonymous, online survey on their experience as a student in the course. The purpose of the CES is to provide feedback to the instructor, the department and the university as a means to improve and sustain the quality of teaching, course design, and program development. The University regards it as a student’s responsibility to provide such feedback in order to support the constant improvement of programs for future students.

Instructions to students will be provided for each course to obtain access to the survey via laptop, tablet, or mobile device.

Student Cards

All students require a current University of Victoria Identification Card. The card is the property of the University and must be presented upon request as proof of identity at University functions and activities. The electronic/digital records of the student card may be used for administrative functions of the University, including but not limited to, examinations, instruction, and campus security. Photo ID cards can be obtained, 24 hours following registration, at ONECard, University Centre Lobby.

Limit of the University’s Responsibility

The University of Victoria accepts no responsibility for the interruption or continuance of any class or course of instruction as a result of an act of God, fire, riot, strike or any cause beyond the control of the University of Victoria.

Notification of Disclosure of Personal Information to Statistics Canada

Statistics Canada is the national statistical agency. As such, Statistics Canada carries out hundreds of surveys each year on a wide range of matters, including education.

It is essential to be able to follow students across time and institutions to understand, for example, the factors affecting enrolment demand at postsecondary institutions. The increased emphasis on accountability for public investment means that it is also important to understand ‘outcomes’. In order to conduct such studies, Statistics Canada asks all colleges and universities to provide data on students and graduates.

Institutions collect and provide to Statistics Canada, student identification information (student’s name, student ID number, Social Insurance Number [where on file]); student contact information (address and telephone number), student demographic characteristics, enrolment information, previous education, and labour force activity.

The federal Statistics Act provides the legal authority for Statistics Canada to obtain access to personal information held by educational institutions. The information may be used for statistical purposes only, and the confidentiality provisions of the Statistics Act prevent the information from being released in any way that would identify a student.

Students who do not wish to have their information used can ask Statistics Canada to remove their identifying information from the national database. On request by a student, Statistics Canada will delete an individual’s contact information (name, address, or other personal identifiers) from the PSIS database.

To make such a request, please contact us:

It is with the goodwill and collaboration of postsecondary institutions that we will reach our goal of providing reliable postsecondary education information required to plan for our future.

Schedule of Classes (Timetable)

The schedule of graduate and undergraduate classes for the Winter Session is available from the Web Time-Table, which is accessible at the website <www.uvic.ca/timetable>.
University’s Right to Limit Enrolment

The University reserves the right to limit enrolment and to limit the registration in, or to cancel or revise, any of the courses listed. The curricula may also be changed, as deemed advisable by the Senate of the University.

General University Policies

Students should check the Calendar entries of individual faculties for any additional or more specific policies.

POLICY ON HUMAN RIGHTS, EQUITY AND FAIRNESS (GV0200)

The University of Victoria is committed to promoting, providing and protecting a positive, supportive and safe learning and working environment for all its members.

DISCRIMINATION AND HARASSMENT POLICY (GV0205)

The University of Victoria is committed to providing an environment that affirms and promotes the dignity of human beings of diverse backgrounds and needs. The Policy prohibits discrimination and harassment and affirms that all members of the University community—its students, faculty, staff, and visitors—have the right to participate equally in activities at the University without fear of discrimination or harassment. Members of the University community are expected to uphold the integrity of the Policy and to invoke its provisions in a responsible manner. All persons within the University who are affected by the Policy, particularly the parties to a complaint, are expected to preserve the degree of confidentiality necessary to ensure the integrity of the Policy, the process described in the Policy, and collegial relations among members of the University community. The Policy is to be interpreted in a way that is consistent with these goals, with the principles of fairness, and with the responsible exercise of academic freedom.

The Policy addresses discrimination, including adverse effect discrimination, and harassment, including sexual harassment, on grounds protected by the British Columbia Human Rights Code. Prohibited grounds for discrimination are race, colour, ancestry, place of origin, political belief, religion, marital status, family status, physical or mental disability, sex, sexual orientation, gender identity or expression, age, or conviction of a criminal offence when unrelated to employment. The Policy also addresses personal harassment.

The Discrimination and Harassment Policy and Procedures are administered by the Equity and Human Rights Office. Persons who experience or know of harassment or discrimination may contact the Office by phoning 250-721-8786 for confidential advice and information. Definitions are included in the Discrimination and Harassment Policy and Procedures (Policy GV0205) which can be found on the office website, <www.uvic.ca/eqhr>.

Creating a Respectful and Productive Learning Environment

The University of Victoria is committed to promoting critical academic discourse while providing a respectful and productive learning environment. All members of the university community have the right to experience, and the responsibility to help create, such an environment. In any course, the instructor has the primary responsibility for creating a respectful and productive learning environment in a manner consistent with other university policies and regulations. Instructors or students who have unresolved questions or concerns about a particular learning environment should bring them to the Chair or Director of the unit concerned (or Dean, in the case of undepartmentalized faculties).

Medical Coverage and Eligibility
To see a physician, students must have a valid Provincial Health Care Card or international healthcare coverage, or will be billed directly.

**British Columbia Residents**
British Columbia students must have current enrolment in the BC Medical Services Plan. A valid medical insurance identification number (BC Care Card) must be provided for a physician visit at Health Services.

Undergraduate Admissions

Undergraduate Admissions facilitates the applicant experience from the point of submitting an application to receiving an admission offer to UVic. Our staff review and evaluate all incoming domestic and international undergraduate applications and documents to determine admissibility, status of the Academic Writing Requirement, and potential transfer credit. We also field inquiries from applicants, parents, counsellors and other external stakeholders, as well as campus colleagues, related to admission requirements and all aspects of the application process.

Graduate Admissions and Records

Graduate Admissions and Records provides services and responds to inquiries related to admissions and records management to the Faculty of Graduate Studies. **Applying for Campus Housing**
Students apply for campus housing through the UVic Residence Services website. The electronic application form for entry in September 2016 is active on the Residence website. To apply, a student must have a UVic Student ID number.
The deadline for requesting academic accommodation for the January term is February 28th.

Exam requests must be received a minimum of two weeks before the scheduled exam, and for finals, two weeks before the first day of the final exam session.

The University does not cover costs related to medical documentation. A diagnosis of disability alone does not guarantee academic accommodations.

Examples of services for registered students:
- Support with coordinating academic accommodation plans
- Assistive Technology consultation and use of a lab with a variety of cutting-edge software and hardware for students to explore.
- Alternate Text Support Centre produces and coordinates the acquisition of accessible and usable textbooks.
- Exam Centre coordinates more than 9500 accommodated exams per year on-site.
- Sign language interpreters and transcribers for in-class interpreting.

The RCSD works to educate and consult on the implementation of universal design to increase academic accessibility on campus, and works with faculty to create accessible learning.

Applying to the University and registering with the RCSD are two separate processes. Students do not need to self-declare a disability when they are applying or being admitted to the University. Students do need medical and/or psychological documentation if they choose to register with the RCSD. Students should register with the RCSD as early as possible to avoid delay in services.

- See the FAQ section of the RCSD website <rcsd.uvic.ca/general/faq.html> for info on documentation.

An IEP from a previous school is not sufficient documentation. There are federal and provincial grants for qualified students that can help fund services and technology.

RCSD fee-based programs for all students:

Graduate Students’ Society

All graduate students at the University of Victoria are members of the Graduate Students’ Society, which exists to represent the interests of UVic’s 3000-plus graduate students and to address issues in the larger community that concern students.

Grad students democratically elect a five-member executive that works with the staff to advocate for and provide services to students. Grad students also select departmental representatives to sit on Grad Council, a body that meets monthly to discuss current events and provide direction to the executive. The Society strives to ensure graduate student representation on all university decision-making bodies.

The services provided by the Society include the Extended Health and Dental Plans, Universal Bus Pass, boardroom and lounge space in the Grad Centre, child care bursaries (administered through Financial Aid), the annual handbook/daytimer, the Weekly Bulletin list-serve, department grants to support academic and social grad student initiatives, and special events planning. These services are funded by membership fees, collected by the university on behalf of the Society. Grad students are eligible to use rooms in the Grad Centre free of charge for academic-related meetings and events. The Society, in collaboration with the Faculty of Graduate Studies, funds a travel grant program to help graduate students attend professional meetings and conferences. The GSS also operates the Grad House Restaurant, which provides excellent food at great prices in a friendly, accessible environment open to all. For more information please visit the General Office (rm 102) in the Halpern Graduate Student Centre, or call 250-472-4543.

Being an active member of the Society is one way to ensure that students’ interests are represented and to work towards a better future for students in Canada.

University of Victoria Students’ Society

All undergraduate students at the University of Victoria are members of the UVic Students’ Society (UVSS). The UVSS is a social justice based non-profit run by students, it is separate from the University, and it runs a successful social enterprise that includes nine unique businesses. The students’ society exists to provide advocacy, representation, services and events for its members. The UVSS works on issues affecting students, such as post-secondary funding, public transit, sexualized violence, campus sustainability, student employment, and affordable housing.

Through their students’ society, students can participate in political advocacy campaigns, clubs and course unions, events, conferences and other activities that take place regularly in the SUB and in the community. Being an active member of the UVSS is one of the most important ways students can contribute positively to their experiences on and off campus. Other ways to get involved include voting in elections, attending general meetings of the Society, getting involved in one of the many committees such as Campaigns, Events, Finance & Operations, or running for a position on the UVSS Board of Directors, Senate or UVic Board of Governors. By becoming an active member of the UVSS, students help create a fuller educational experience for themselves and others and a better future for students at UVic and across Canada.

The UVic Students’ Society operates the Student Union Building (SUB) – which houses nine unique businesses run by students for students. These businesses are, social enterprises (businesses run for a social good) and all profits that they make go back to students in the form of advocacy, events and services. These businesses are:

- Health Food Bar (wraps, smoothies, and veggie/vegan cuisine)
- International Grill (dahls, curries, burgers & more)
- Bean There Coffee Shop (grab & go food and coffee)
- Munchie Bar (best coffee on campus)
- Felicita’s Campus Pub (taps, food, events)
- Cinecenta Movie Theatre (indie, foreign, and Hollywood films + amazing popcorn)
- Zap Copy – Digital Print Centre (7 cent copies)
- SUBText – Books & Things (consign your books here)
- Catering & Conference Services

Besides running businesses, the UVSS also runs three centres that provide information, services, and assistance to students:

- UVSS Students’ Society Centre (student director offices, info centre, and student handbooks)
- SUB Info Booth (info centre, Universal Bus Pass ‘U-Pass’ & the Student Health and Dental Plan)
- SUB General Office (info centre, Clubs and Course Union space and equipment booking)

The UVSS also leases space to business tenants such as:

- Victoria Health and Wellness Clinic
- Campus Medicine Centre Pharmacy & Canada Post outlet
- On the Fringe Hair Design
- Travel CUTS
- Campus Dental Centre

A democratically elected student board of directors carries out the activities of the UVSS. The Board consists of eleven volunteer directors at-large, an international student rep, five advocacy group representatives, and five full-time executive directors- the Director of External Relations, the Director of Student Affairs, the Director of Finance and Operations, the Director of Events, and the Chairperson. Elections for these positions take place in March, with the exception of reps for the Women’s Centre, the Pride Collective, the Native Students’ Union, the Students of Colour Collective and the Society for Students with a Disability (SSD). These groups elect their reps at the general meetings of each advocacy group. The Board meets twice each month throughout the year and all students are welcome to attend.
