University of Victoria
Forest Biology Symposium

"Forest Pathogens and Forest Health"

Friday, April 28, 2017
9:00 am to 5:00 pm
Engineering/Computer Science Bldg, Room 125

Keynote speakers:
Richard Hamelin (Forest and Conservation Sciences, Faculty of Forestry, UBC,
and Institut de Biologie Intégrative et des Systèmes, Université Laval)
"Genomic BioSurveillance of Forest Pathogens“

Alex Woods (Forest Pathologist, B.C. Ministry of Forests, Lands, and
Natural Resource Operations, Skeena Region)
“Forests and Carbon: Positive Feedback to Climate Change
or Opportunities for Mitigation?”

Contributed Presentations: Oral presenters will be selected from submitted abstracts.
There will also be a Poster Session.

To register: Contact the Diane Gray at UVic Centre for Forest Biology dgray2@uvic.ca.
Note: There will be no registration fee.

To submit an abstract for a talk or poster: Please submit a title, abstract (200
words max, MS Word) and affiliation by e-mail to Diane Gray (dgray2@uvic.ca) by
March 31, 2017. Please indicate your preference for a talk or poster.
Selection for oral presentations will be made by the Organizing Committee,
and presenters informed by April 10, 2017.
