Conventions

/zéni/ [d^hzéi] ‘goodwill’, /honjaku/ [hoĩjaku] ‘translation’, /zenhan/ [d^hzeĩhan] ‘first half’.

The exact realization of the moraic nasal phoneme in the preceding and similar cases may vary substantially with the speed of utterance as well as with the specific environment.

Acknowledgements

I wish to thank Prof. P. Ladefoged for valuable comments on my initial manuscript, Prof. I. Maddieson for editing it effectively, and Drs. F. Nolan and J. H. Esling for kindly accepting maximum final improvements proposed.
