UVic Retirees Association: Bylaw amendment information sheet

May 9, 2017

Prepared by Tasha Gooch

**Background:**

BC recently brought into force the new *Societies Act* (2015) to replace the *Society Act* (1994). In order to comply with the requirements of the new Act, the UVRA must make amendments to its bylaws and file them with the Register of societies. This requires the memberships of the Society to pass the amendments by special resolution, and as such will require the consent of 2/3 of the voting members present at the next general meeting.

**Purpose:**

This information sheet will summarize and discuss the changes to the Bylaws the Board is presenting to the membership. Some of the changes were approved by the membership previously, although they were not filed with the Register of Societies at the time.

Alongside this information sheet, a Word document of the proposed new bylaws uses comment bubbles to pinpoint the provisions discussed.

Specifically, this document will highlight new bylaw provisions that have been added to the new bylaws as follows:

a) New Definitions;
b) Removed Definitions;
c) Additions to the Bylaws from the new Act that would apply whether or not they are included in the bylaws;
d) Movement of provisions or statements within the Bylaws;
e) Departures from the previous bylaws; and
f) Departures from the new Act.

| 1.2 | • Board  
• Nominating Committee  
• Officer  
• Director | • “Executive Board” has become “Board” for simplicity  
• “Nominating Committee” has been added as a reflection of its use throughout the Bylaws.  
• “Officer” as previously defined referred to any member of the Board, however, common usage is director  
• “Director” as previously defined meant the President, Vice-President, Treasurer, Secretary, and Past President, however, common usage uses officer for those positions. In other words, all members of the Board are directors, and only some of those are officers. |
| **Removed Definitions** | | |
| | • Registered Address  
• Term  
• Official Retiree of the University of Victoria | These definitions were all removed as they were unnecessary; in most cases they only appear once in the Bylaws and so do not need to be separately defined. |
| **Inserted provisions from the new Act** | | |
| 1.4 | Definitions in the New Act Apply | Added for clarity, and to conform with standard legislative approach |
| 1.5 | Conflict with Act or Regulations | Added for clarity, and to conform with standard legislative approach |
| 3.4(b) | If, at any time during a general meeting, there ceases to be a quorum of voting members present, business then in progress must be suspended until there is a quorum present or until the meeting is adjourned or terminated | Added to come into compliance with the New Act |
| 4.2 | Qualification of directors (see proposed bylaws for full list) | Directors must meet a number of requirements to be qualified to serve on a Board. They have been inserted into the new bylaws for completeness. |
| 4.3 | Directors must sign an annual declaration indicating they are qualified. | Added to come into compliance with the New Act |
| 4.4 | Directors who cease to be qualified must resign | Added to come into compliance with the New Act |

### Movement of Provisions or Statements within the Bylaws

| 2.6 | Annual dues shall be due and payable by April 1 of each year. | Moved from 2.4 for clarity. |
| 2.9 | All members of committees, temporary or permanent, established by the Board, and including the Board, must be Members in good standing. A committee shall retain the right, however, to co-opt non-members as needed. | Moved from 2.2 for clarity. |

### Departure from the previous bylaws

<p>| 2.4(c) | Declaration by the <strong>Board</strong> as not in good standing | Changed from <strong>Treasurer</strong> to avoid problems if the Treasurer is unable to make the declaration |
| 2.7 | Members of the Association who have not paid their membership dues (annual or prepaid) by June 30 in the current annual membership period shall be deemed to be not in good standing and shall, therefore, <strong>cease to be members</strong> of the Association and will not be eligible for member benefits, for so long as those fees remain unpaid | Changed from “will become inactive” to reflect the requirement to pay dues to remain a member in good standing, and the result of a failure to do so. |
| 3.2 | General Meetings | Changed from “Extraordinary General Meetings” to reflect the language used in the New Act. |</p>
