We hope you are enjoying the beauty of Victoria in what is the most colourful time of the year. Despite the cool spring it has been a spectacular season. It was wonderful to see so many members of our association volunteering at the recent UVic plant sale. The sale was one of the best ever and generated substantial revenue for the Finnerty Gardens – well done folks!!

**Bits from the Board**

The UVRA website contains a list of all members. Because of privacy concerns the Board has decided to restrict access to this page to members only. Stay tuned, as they say, as we work on this.

John Schofield, Vice-President of UVRA, will be representing your interests while attending the Annual Conference and General Meeting of the College and University Retiree Associations of Canada (CURAC) being held in Windsor from May 23-25. Check for more information at http://www.curac.ca/index.htm

Members who are still using their “employee” card to access facilities/services at UVic are encouraged to replace their card with a “retiree” version. Student and Ancillary Services has informed us that UVic retirees should get a “retiree” Photo ID card to replace their “employee” Photo ID card. Your old employee Photo ID card may not be accepted for RecPlus benefits in the future. The Retiree card may be obtained without charge (for the first one) at the Information Booth in the University Centre. This applies to all UVic retirees not only UVRA members.

There is no change in the procedure for Associate members of UVRA to obtain a “Retiree” Photo ID card. If you do not already have one, you should contact the UVRA Office and complete the form "Associate Member Application for Library Borrowing Privileges and Photo ID card".

Hence the collaboration of the Centre on Aging and the UVRA on the planning and execution of the events was an essential feature of the Masterminds. Many individuals from both groups gave freely of their time and effort, working together throughout the months of planning and the delivery of the projects. I would like to convey my thanks to Dr. Elaine Gallagher and the staff of the Centre on Aging and to Lyle Robertson and the Board of the UVRA. Some individuals involved and due particular thanks for their hours of work and dedication to the success of the project are Marie Elliott, Lois Edgar, Lindsay Cassie, Anita Jessop, Trevor Matthews, Victor Neufeldt, Helen Kempster, and Judy Cryderman.

Thank you to Martin Segger, Caroline Riedel, Kerry Mason and the staff of the Maltwood Art Museum and Gallery for the advice and encouragement, the assistance in planning and the fine installation of the art exhibit that made for a spectacular show. They were presented with the challenge of showing a very diverse collection of art; and met that challenge with great skill, sensitivity, and professionalism.

Communications Services personnel, who provided advertising and advice, are due many thanks as well. In particular, thanks are due to Bruce Kilpatrick and Maria Lironi who dedicated many hours to assuring that UVic and the Greater Victoria community would be aware of the events.

Also, thanks to Carli Kennedy who provided the guitar music for the reception. UVic Facilities Management, Room Bookings, A-V Services, and Catering Services all provided assistance in important aspects of the project and are due thanks. Their willingness to help is very much appreciated.

To all participants--Thanks for the Masterminds!

Beverly Timmons, UVRA Masterminds Coordinator

And what lies ahead for Masterminds?

This depends on you – what you are doing, what types of activities engage your interest. So let us know by communicating with the UVRA office, either by telephone (472-4749) or by e-mail: uvra@uvic.ca. Here are two possibilities for future events.

Artisans-- Please let us know if you are interested in participating in a quality crafts show (not a sale). If we have enough people who wish to be involved, we could apply for space on-campus in which to show the works. An outside (non-member) jury would select the works for the show. We could show such things as quilting, carving, glass blowing, fabric art, wood turning, toy making, stained glass work, porcelain painting, pottery, weaving, etc.

Photographers—Please let us know if you are interested in participating in a photography exhibit. If we have enough people who wish to be involved, we could apply for space on-campus to show your work. As in the information for artisans, a jury of non-members would select the works submitted for the show.

**On the Lighter Side**

**More golf rule changes:** Rule 4.c.7: if a putt passes over a hole without dropping, it is deemed to have dropped. The law of gravity supersedes the law of golf. Rule 4.c.8: putts that stop close enough to the cup that they could be blown in, may be blown in. This does not apply to balls more than 3 inches from the hole. No one wants to make a travesty of the game.

**Ceremonies needs your help!!** Duties will be in the robing area during Spring Convocation on June 5, 6, 7, or 8. You will assist students in the Marshalling Rooms (Clearihue C Wing) with their robes; hoods; and hats and get them ready for the Student Procession into the Ceremony. Time: 1.5 hours before each ceremony commences. Schedule available at [http://web.uvic.ca/ceremony/convocation/fallceremonytimes.php](http://web.uvic.ca/ceremony/convocation/fallceremonytimes.php)

As well, should any Retirees who are assisting as Robers wish to have tickets to a ceremony, they can also forward this request. Although we are not able to guarantee availability of tickets once the student requests are processed, we will use best efforts to accommodate our volunteer ticket requests. Interested retirees can contact Alison Ducharme, Ceremonies Office, directly at alisondu@uvic.ca or 721-7632 should they require additional information or would like to volunteer as a Rober.
