TODD GORDON

Monday, January 31

1:00pm - 2:30pm, Hickman 116

From the war in Afghanistan to the environmental destruction caused by Canadian mining companies in the Third World, Canada has earned a reputation as a belligerent and negative force in this region of the world.

Join us for a discussion of Todd's latest book, *Imperialist Canada*, and what's driving Canada's aggressive foreign policy and its implications for the Third World.

Todd Gordon teaches political science at York University in Toronto and is the author of *Cops, Crime and Capitalism: The Law-and-Order Agenda in Canada*. His articles on Canadian imperialism have appeared on ZNet, Counterpunch, Rabble, and in *The Bullet* and *New Socialist*.
