

## **Lab Rules**

- 1) Labs are held once per week on Zoom. You need to set up an account for the UVic Zoom sessions at [uvic.zoom.us](https://uvic.zoom.us)
- 2) To access the live lab sessions you must be logged in with your NetLink ID.
- 3) Labs start during week 3.
- 4) Please be on time for sessions. The instructors will start at the scheduled times. It would be best to be ready at least 5 minutes early.
- 5) Respect other students. The classes are unfortunately large, so if the need to socialize overwhelms you, leave the meeting until it passes.
- 6) The lab exercise is distributed after the instructor's demonstration is finished. The exercise can be found on Tophat in your **registered lab section**. The lab needs to be completed and emailed (or submitted) to the instructor within the time of the lab. I will most likely give you some extra time for submission if problems occur. Give yourself enough time to finish and screen shot/print up results.
- 7) Labs are to be emailed directly to your lab instructor for marking.

Go to sign up.
