

CAMPUS AS A LIVING LAB

12th Annual Western Canada Sustainable Campuses Conference

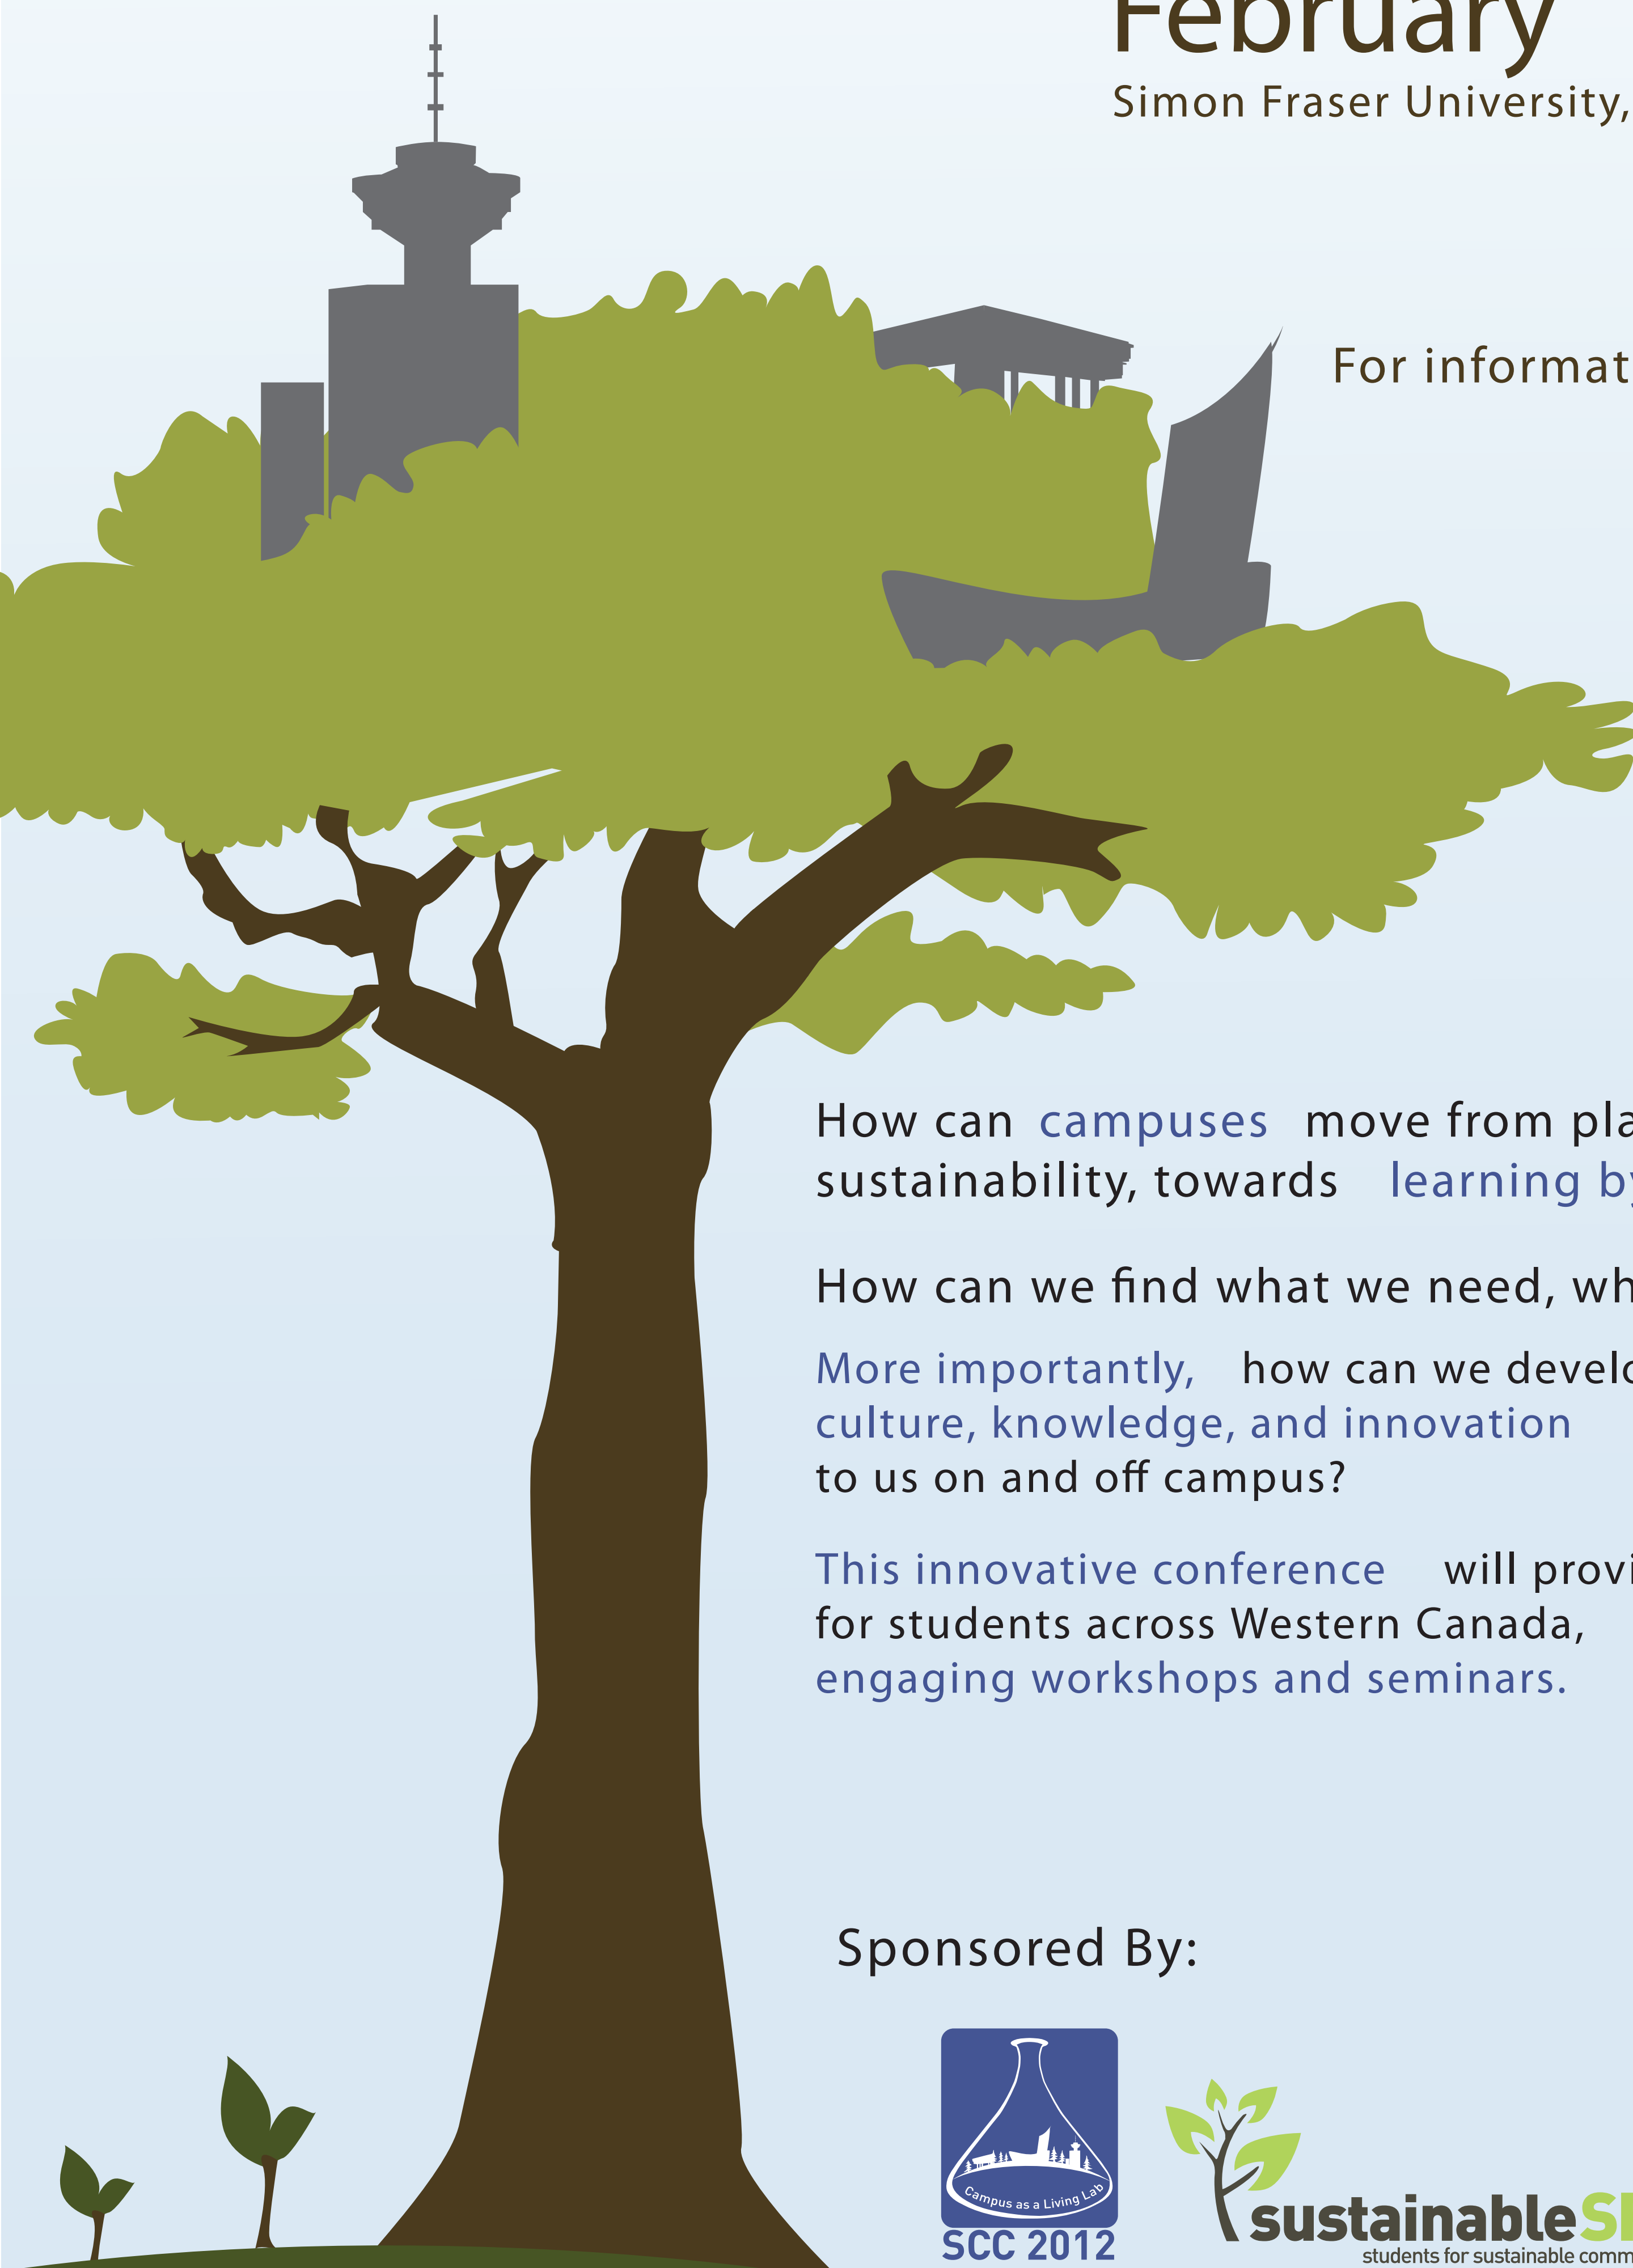

February 16 - 19, 2012

Simon Fraser University, Burnaby, British Columbia

\$45

Tickets: ~~\$60.00~~/person

For information visit: www.sfuscc.org

How can **campuses** move from places of learning about sustainability, towards **learning by doing**?

How can we find what we need, where we are?

More importantly, how can we develop and leverage **local culture, knowledge, and innovation** with opportunities available to us on and off campus?

This innovative conference will provide **networking opportunities** for students across Western Canada, **inspiring keynotes**, and **engaging workshops and seminars**.
