

**Schedule 1 - Sessional Lecturer Salary Grid
Examples for Various Unit Equivalents**

* **NOTE:** The salary numbers noted below are monthly amounts, based on a standard 4-month course. To determine the full-course payment for other courses (e.g. Summer Session, except "K" section courses), multiply these amounts by 4. For example, as of May 1, 2007, a 1.5 unit course at Step 1 of the payscale is \$4,556; while the same course at Step 7 is \$5,768.

Step increases occur in September of each year. In order to move up a Step in September, you must have taught at least 1.5 units between September and August of the past year.
