1. a: I wonder how they teach [Adin?] to do all these things .. like .. if I were him I think they would be .. If I were him they I think there somehow puni I don't think I think it's kinda abuse cause he knows so many things at the age of .. thirteen. (breath)

2. d: fourteen actually

3. a: fourteen. and I .. if I were in his position the only thing I would know is how to fish and [unclear. cook?] I don't think I would know how to make certain fires .. I. I don't.. an how. the grandfather I'm surprised he's not dead yet.

4 b: well. remember that this is a long time ago cause it says that ..

----- overlapping section

5. c: Ms Westbury says that

6. b:                                yeah that like they were

7. c:                                they died early

----- ends

8. b: they were like .. thirteen and they were like full mens

9. c: yeah

10. b: so they needed to know more stuff that's . this . stuff . like . they need to know this stuff now not in their late thirties

11. c: yeah because [unclear - d overlaps] would've already been dead

12. d:                                like. to us

13. d: to you guys .. technically. when you guys are like twenty... one. you're gonna be men.

14. b: yeah

15. d: but to them .. when they're...
