"Wow. Clara Hughes proves that a person can be not just good but great – an Olympic medalist – in more than one sport AND overcome difficulties. It's really cool that Clara was inspired by seeing someone else do something amazing, and now I'm inspired because of Clara." – Jessie

Join 13-year-old Jessie as she keeps a diary of her class's yearlong research project on superheroes, which culminates in the Superhero Slam: a head-to-head debate battle! PROJECT SUPERHERO combines science facts, lively illustrations, and comic book trivia with actual correspondence from superhumans including Clara Hughes, a Canadian six-time Winter and Summer Olympic medalist in speed skating and cycling, and a mental health spokesperson.
