### How to Use the Course Listings

**Course Abbreviation and Number**
Courses are listed alphabetically by course abbreviation of up to four letters (e.g., ANTH for Anthropology) and course number (e.g., 100). Three numbers are used for course number plus a letter, as appropriate. The first number indicates the year level (0 for university-level upgrading, 1 to 4 for undergraduate level, 5 and 6 for graduate level, 7 for Education Professional Year and 8 for co-op work terms). See page 249 for the subject area corresponding to the course abbreviation.

**Cross-listed Courses**
The same course may be offered by two different departments. Such courses are listed twice, once under each department course abbreviation. Students may obtain credit for the course from either department, but not both.

**Former Course Abbreviation and Number**
If a course was previously offered at UVic under another abbreviation and number, the former abbreviation and number are shown here.

**Prerequisites and Corequisites**
Prerequisites are courses or other requirements that must be completed before a student may register in a course. Corequisites are courses or other requirements that must be completed at the same time as a specific course.
For more information on how to read prerequisites, please see <www.uvic.ca/prereq>.

**Units of Credit**
This figure is the number of units of credit assigned to each course. Some courses are listed with a range of units (1.5-3). Further information on the unit value of the course will usually be found in the course description. Students may also contact the department or faculty offering the course for information on variable credit courses.

**Sample Course Name**
-SAMP 101 Units: 1.5 Hours: 3-0-1
Sample Course Name
Also: CD 100

This sample course description illustrates the notations commonly found in the course descriptions. Not all course descriptions include all the information shown in this sample. For clarification on any information presented in a course description, contact the department or faculty offering the course.
Course descriptions may also include sub-courses offered under the same course number.
Note: Up-to-date information is available from department offices and from the Undergraduate Registration Guide and Timetable, which is available after June from Undergraduate Admissions and Records.
Prerequisites: Admission to UVic
Grading: INP/COM, N or F

**Hours of Instruction**
The numbers refer to the hours of instruction per week:
- first digit: hours assigned for lectures or seminars
- second digit: hours assigned for laboratory or practical sessions
- third digit: hours assigned to tutorials

**Notes**
Notes provide information about any restrictions on the assignment of credit in cases where courses overlap, as well as the maximum allowable credit for courses that may be taken more than once. Notes may also provide special information about a course.

**Grading**
Courses that are not graded using standard letter grades will include the alternative classifications for evaluation. See page 38 for an explanation of grading abbreviations.

Course descriptions do not include information on when courses will be offered. That information is available online at <www.uvic.ca/timetable>.

Students will review seminal comparative studies on administrative practice and reform and undertake a comparative study on a selected topic.

Note: Credit will be granted for only one of ADMN 604, POLI 610.
