Our Vision
To pioneer business education that creates sustainable value.

Our Mission
We provide an experiential education that is anchored in excellence in research and teaching.

We focus on international business, entrepreneurship, service excellence and sustainability/social responsibility and the issues that emerge where these areas intersect.

We are open, fair, engaged and passionate in all we do.

A.R. Elangovan, BCom (U of Madras), MBA (St Mary’s University), PhD (U of Toronto), Professor, Director International Programs
Monika Winn, MA (Tuebingen University), MBA, PhD (U of California, Irvine), Professor, Francis G. Winspear Scholar, Champion Sustainability, Director Centre for Social and Sustainable Innovation (CSSI)

General Information
Programs Offered
The Peter B. Gustavson School of Business offers a full-time program leading to the degree of Bachelor of Commerce (BCom). A Master of Business Administration (MBA) and other graduate programs are also offered (see UVic Graduate Calendar).
The BCom program provides students with a broad education in business, together with exposure to the liberal arts and
specialization in one of the following areas: International Business, Entrepreneurship or Service Management. The opportunity to pursue a degree without a specialization in any particular area is also available. The BCom program is a mandatory co-operative education program which requires students to complete three co-operative education work terms.

<table>
<thead>
<tr>
<th>Pre-Commerce Courses Including Required Courses</th>
</tr>
</thead>
</table>

| Economics: 1.5 units | Introductory Microeconomics: One of ECON 103, 103C, 180. |
| English: 3 units | Applicants must have satisfied the Academic Writing Requirement. Two of ENGL 135, 146 or 147 (or other approved English courses including ENGL100-level or equivalent). Decisions regarding the appropriateness of English courses are at the discretion of the Program Director. |
| Math: 1.5 units Statistics: 1.5 units | MATH 151 (1.5 units) and STAT 252 (1.5 units) OR ECON 245* (1.5 units) and ECON 246* (1.5 units) OR STAT 255* (1.5 units) and STAT 256* (1.5 units) OR equivalents. * check course descriptions for pre-requisites Math 12 is a prerequisite to the above mentioned courses. If Math 120 is taken at UVic as a Math 12 equivalent, it will not be counted as 1.5 units of Other Math as described below. It is recognized that students transferring from other institutions may have different combinations of Math and Statistics courses. At a minimum, students must have 3.0 units of courses in the Math and Statistics area. The following are acceptable: One course in Business Statistics (1.5 units), and one other Math course (1.5 units) which may not include Pre-Calculus, Pre-Calculus Math or Pre-Calculus Algebra, or Math for Elementary Education. Acceptable topics for other Math courses include Linear Algebra, Business Math, Math for Economics, among others. A minimum transfer credit of 100-level Math must be awarded for the other Math courses. Students who select the ECON 245 and ECON 246 or the STAT 255 and STAT 256 combinations can satisfy both the statistics requirements (1.5 units) and the other math requirement (1.5 units). Decisions regarding the appropriateness of Math and Statistics courses are at the discretion of the Faculty. |
| Additional Course Requirements for International Students (Year 1 and 2 admission) | COM 206C: Business English and Communications (or equivalent) COM 290: Introduction to Canadian Business Note that decisions regarding the appropriateness of equivalent courses are at the discretion of the Faculty. |
| Computer Literacy: | Applicants must have demonstrated competence in the use of word processing, database and spreadsheet software packages (such as Microsoft Office). |
| Courses in other disciplines to make up 30 units of Pre-Commerce work | Non-Business courses in other disciplines to make up 30 units of Pre-Commerce course work (maximum of 4.5 units of Commerce course work). COM 220, 240, 250, 270 may not be used as Pre-Commerce course work. Students may wish to consider including courses in languages, other culture sand other political or economic systems. For students interested in specializing in International Business, 3.0 units of a foreign language, or equivalent competence are strongly recommended within their pre-Commerce course work. Students who intend to apply to participate in an academic exchange through the INTEP program, please see description regarding language requirements under the INTEP entry. In addition to the above, highly recommended courses include: ECON 205: Managerial Economics ENGL 225: Technical Communications: Written and Verbal ES 200: Introduction to Environmental Studies FA 101: Creative Being IB 218: International Field Study MATH 102: Calculus For Students in the Social and Biological Sciences EPHE 142: Human Wellness and Potential PHIL 201: Critical Thinking PHIL 330: Professional and Business Ethics SOCI 100: Introduction to Sociology THEA 122: The Acting Experience THEA 150: Public Speaking |
| One Co-op work term | Applicants will need to have completed (or be able to challenge) one Co-op work term before entering the program or complete a third Co-op term during the program. For details, please see “Co-op Work Term Requirements for Admission” |
The Gustavson School of Business Bachelor of Commerce degree program consists of two years (30 academic units) of liberal arts course work, including required and elective courses, followed by two years (30 academic units) of core, specialization and elective courses offered by Gustavson and three co-operative education work terms. Students must apply to be admitted to the BCom program. There are several admission points that students may select to apply to the BCom program.

**Limitation of Enrolment**

Applicants should be aware that admission to the Bachelor of Commerce program is highly competitive and subject to limited enrolment. Meeting minimum requirements is not a guarantee of admission.

**Joint Programs**

**BA or BSc Major and Honours in Economics (Business Option)**

This program is offered by the Department of Economics in cooperation with the Gustavson School of Business. For program details, refer to the Calendar entry for the Combined Major: Financial Mathematics and Economics (page 338) in the Faculty of Science and Combined Major: Financial Mathematics and Economics (page 366) in the Faculty of Social Sciences.

**Business Minor**

Students pursuing a non-Business degree may elect to take a Business Minor. The Business Minor program consists of 9 units including COM 220, 240, 250, 270 with a minimum grade of C+ in each course, plus at least 3.0 units of 300- or 400-level COM, ENT or IB courses. Students must declare the Minor with the advising centre of their originating faculty. Required courses at the 200-level or higher in the Business Minor program cannot form part of the requirements towards other programs or options.

Permission to register in courses and related prerequisites will be considered on a case-by-case basis and is at the discretion of Gustavson.

Students registered in a Major that allows for a Business Minor, and undertaking a Business Minor, and also registered in the UVic Co-operative Education Program in their originating department, may, with permission from their originating Co-op program, elect to complete ONE work term through the School of Business Co-op and Career Centre. Students in this situation must have completed one of the following in order to be eligible for a Business work term:

1. Successful completion of a registered Co-op work term in their originating Co-op program, OR
2. Completion of the UVic Co-op curriculum, through either their originating Co-op program or the Business Co-op and Career Centre

Further to the above criteria, eligible Business Minor students applying for Co-op positions through the Business Co-op and Career Centre must sign and agree to abide by the “Terms and Conditions” of the Business Co-op program, for their business work term.

**ACADEMIC ADVICE**

Information about admission to the Gustavson School of Business is available through UVic Admission Services and the Business Student Services Office. Students with questions about undergraduate programs and courses within the faculty should inquire at the Business Student Services Office, Room 283, Business and Economics Building.

Students can contact the program by email: bcom@uvic.ca, or by phone: 250-472-4728

Students transferring to UVic from other institutions may wish to contact Gustavson for informal assistance and recommendations.

**Faculty Admissions**

The Gustavson School of Business Bachelor of Commerce program admits students into the first, second and third year. Each admission point has specific admission criteria that applicants must meet; see entry under Admission Categories and Deadlines. Because of the international nature of the program, a portion of the available positions is intended for international students. Gustavson recognizes the unique needs of international students and offers many services and program enhancements to address those needs.

Entry to the Bachelor of Commerce program is in September only for each year. The program commences with the BCom program core, a full-time, cohort-based set of required courses in the third year. Normally, about 240 students are admitted to the BCom program core every year.

The structure of the program requires that students have completed 30 units of pre-commerce course work, including the required courses listed below, to standards as outlined below before they will be registered in the Bachelor of Commerce program core courses.

Students should be aware that they will be required to complete a total of 60 units of course work to obtain a UVic degree, including 30 units of pre-commerce course work. Any outstanding pre-commerce course work must be completed as a condition for entering the BCom program core.

Graduates of Hospitality Management diploma programs should refer to the admissions requirements described under “Admission Requirements for Graduates of Hospitality Management Programs”.

**Admission to UVic from High School**

Applicants from High School must be admissible to UVic. See Undergraduate Admission (page 37). Applicants from High School must follow the admission procedures as outlined in the Admission Categories and Deadlines section.
**Admission to UVic from BC Community Colleges and Other Universities**

Applicants from BC community colleges and universities must first be admitted to UVic. Students must have a minimum of 12 units of transferable credit to be considered for admission to UVic and the BCom program. Transfer credit should address the admission requirements as described under the admission section entitled Year 2 Entry (First Year College or University Students) or the section entitled Year 3 (Direct Entry) Admission.

Transfer credit will be limited to 4.5 units of Commerce credit for the purposes of calculating the cumulative pre-commerce grade point average and calculating the applicant’s pre-commerce course units. Students transferring from BC community colleges or university colleges should consult the BC Transfer Credit Guide at <www.bccat.bc.ca> for assistance in determining the transferability of courses.

Additional information regarding areas of study and program updates is available through the Gustavson School of Business website at <www.gustavson.uvic.ca>.

Students attending any business, commerce, or business administration diploma or degree program will be considered along with all other applicants and must have completed the requirements for admission as outlined below.

**Current and Returning UVic Students**

Current and returning UVic students who apply but are not admitted to the Gustavson BCom program will normally, if eligible, be authorized for study in their previous faculty. New applicants to UVic who are not admitted to the program and who wish to be considered for any other faculty should contact Admissions or Records Services.

**Admission Requirements**

**Pre-Commerce Courses Including Required Courses**

All students entering the BCom program must complete the required courses shown in the table below prior to entry into the BCom program core. All students are encouraged to consult the University Calendar to meet the prerequisites for the required courses.

**Co-op Work Term Requirements for Admission**

Gustavson requires that students complete three Co-op work terms to meet the Bachelor of Commerce program requirements.

Students are normally required to complete one Co-op work term (pre-commerce Co-op) prior to commencing the BCom program core and two more Co-op work terms as part of their academic and work term sequencing as prescribed by the area of specialization.

- Students can complete the pre-commerce Co-op work term during the May to August period immediately prior to entering the BCom program core. This option is only open to those students who are admitted to the BCom program through the Year 1 or Year 2 admission category and have completed Com 204.
- Students may challenge one Co-op work term if they have sufficient relevant work experience. See details regarding criteria and regulations for Co-op challenges under the Business Co-op Program section or consult the Business Co-op and Career Centre.
- Students can transfer in a successfully completed work term through an accredited Co-op program and receive credit for one of the BCom Co-op work terms.

Credit for only the first work term will be permitted through transfer or challenge. Students must register in and complete at least two work terms through the Business Co-op and Career Centre as part of their BCom program. Students who do not complete a pre-commerce Co-op work term will be expected to complete this requirement following the BCom program core, which will normally extend the time needed to complete their program. Normally, students must complete their programs on an academic term.

**Admission Categories and Deadlines**

**Year 1, Year 2 and Year 3 Admission**

The Gustavson School of Business will offer Year 1 admission to high school students and Year 2 and Year 3 admission to UVic students and college/university transfer students who demonstrate a high level of academic achievement and other qualitative considerations such as leadership, school and community involvement, participation in extra-curricular activities, and work experience and career aspirations.

Admission from high school or first year to Gustavson guarantees access to the BCom program if the student maintains the level of academic and Co-op performance prescribed in any conditions set out by the BCom Program Director and BCom Admissions Officer as part of the admissions process. Students admitted into Year 1 or 2 will normally register in their pre-commerce Co-op work term during the summer term immediately prior to starting the BCom program core. High school and first year admission students who are not registering in a pre-commerce Co-op during that summer term are not permitted to register in any courses that are considered part of the BCom degree program.

**Year 1 Admission – from High School (Grade 12)**

**Application Deadline: February 28**

Students applying to Year 1 are required to submit the following documents by February 28:

- University Application for Admission
- Bachelor of Commerce Supplemental Application Form
- In addition, applicants must ensure that the following documentation is submitted by March 15:
• Two official copies of interim High School Transcript, if not reported to the BC and Yukon Ministry of Education - minimum 80% GPA
• Letter of Recommendation - principal or vice-principal or designate

Upon receipt of grades from Undergraduate Admissions (as reported in BC and the Yukon by the BC Ministry of Education or as an interim high school transcript elsewhere), conditional offers will be made. Upon receipt of final grades, conditional offers will be confirmed.

Evaluation: Students who wish to be considered for admission must have a minimum GPA of 80% on required high school courses. Meeting the minimum GPA requirement does not guarantee admission to the BCom program. Admission is based on academic performance (60%) and on the applicant's other attributes (40%) derived from the assessment of the other submitted material.

Conditions for entry into the BCom program core courses:
• Students must meet UVic entrance requirements
• Students must complete the remainder of their pre-commerce course work at UVic (Year 2).
• Students must obtain a minimum GPA of 4.0 (B-, 70%) on their required courses, with a minimum grade of C+ (65%) in each of them.
• Students must complete all required and elective courses (30 units) by the end of the Spring (January-April) term of their Year 2 prior to commencement of BCom program core.
• Students must achieve a GPA of at least 5.0 (73%) on their most recent 30 units to be eligible for entry into the BCom program core.
• Students may undertake their first Co-op work term prior to entry into the BCom program core.

Year 3 (Direct Entry) Admission – Second-year College or University Students

Application Deadline: February 28

Students applying for direct entry into the Year 3 BCom program core are required to submit the following documents by February 28:
• University Application for Admission (non-Uvic students) or Faculty Program Change Form (current UVic students) or UVic Reregistration Form (returning UVic students)
• Bachelor of Commerce Supplemental Application Form

In addition, applicants must ensure that the following documentation is submitted by March 15:
• Two official copies of secondary and post-secondary education transcripts directly from issuing institution

Evaluation: Applicants will be assessed on their most recent 12 units of course work. As well, students must have completed at least three of the required courses with minimum GPA 4.0 among these courses, with a minimum grade of C+ in each of them, by the application deadline. Admission is based 60% on quantitative (GPA) and 40% on qualitative considerations assessed from the submitted supplemental material.

Conditions for entry into the BCom program core courses:
• Students must complete 30 units of pre-commerce course work, including all required courses, by the end of the Winter Session prior to commencement of the BCom program.
• Students must achieve an overall most-recent 30-unit GPA of 5.0 (B, 73%) to be eligible to enter the BCom core program.
Admission Requirements for Graduates of Hospitality Management Programs

Application Deadline: February 28

Students applying from Hospitality Management diploma programs are required to submit the following documents by February 28:

- University of Victoria Application Form (non-UVic students) or UVic Reregistration Form (UVic students)
- Bachelor of Commerce Supplemental Application Form

In addition, applicants must ensure that the following documentation is received by March 15:

- Two official copies of secondary and post-secondary education transcripts directly from issuing institution

Applicants from two-year Hospitality Management/Hotel and Restaurant Administration diploma programs may be eligible for entry to the BCom program if they meet the following criteria:

1. The diploma is completed with a minimum average GPA of 5.0 (B, 73%) as determined by Undergraduate Admissions and Records. The average as calculated by Undergraduate Admissions is a cumulative GPA, which includes all course attempts.

2. Except for pre-admitted students, the diploma is granted by August 31 of the year for which the student is applying for admission. Final official documentation will be required.

3. The diploma is awarded by a college that offers the BC Provincial Hospitality Management Diploma program, or its equivalent.

4. Completion of a microeconomics course (equivalent to UVic ECON 103) and an acceptable statistics course (equivalent to STAT 252).

5. Completion of the Academic Writing Requirement.

BC Institutions Currently Delivering the BC Provincial Hospitality Management Diploma Program

- Camosun College
- College of New Caledonia
- Douglas College
- North Island College
- Selkirk College
- Thompson Rivers University
- Vancouver Community College
- Vancouver Island University

Alberta and other Institutions

- Southern Alberta Institute of Technology (Calgary)

Students who have completed two or three year of recognized Hospitality diploma programs may also be eligible. Please contact the Gustavson School of Business for eligibility information on other programs.

Admission Criteria for Graduates of Hospitality Management Programs

Admission decisions for the Bachelor of Commerce program will be made based on the GPA achieved in the diploma program (60% weight) and on an evaluation of the applicant’s Supplemental Application Form (40% weight). See description of Quantitative and Qualitative considerations below.

Please note that applicants must be admissible to the University of Victoria to be considered for the Bachelor of Commerce program. Students who have completed additional credit courses after their diploma programs should contact Admissions Services to determine how these courses may affect their admissibility to the University.

If the diploma has not been granted by the documentation deadline, the student must still submit an official transcript outlining completed courses and courses that are still in progress. Students should also provide letters from their institutions that indicate that they are expected to have been granted their diplomas by August 31 of the year for which they are applying for admission. Two official copies of the final transcript indicating the granting of the diploma will be required by Undergraduate Admissions.

Admissions Process for All Admission Categories

Minimum GPA

Applicants other than those to Year 1 must have a GPA of at least 4.0 (B-) on the UVic 9-point scale, or equivalent as calculated by Undergraduate Admissions and Records, in their most recent course work to be considered for admission to the Gustavson School of Business. Applicants to Year 2 admission must have a minimum of 6.0 units completed by the application deadline. Applicants with more than 12.0 units will be calculated on their most recent 12.0 units of course work.

Quantitative Considerations

For applicants in each admission category, the GPA evaluation will form 60% of the admission decision. Applicants to Year 2 and Year 3 who meet the minimum requirements will be rated within their applicant groups on this criterion based on weighting equally their most recent 12-unit GPA as calculated by Gustavson with their GPA in pre-commerce required course work.

Qualitative Considerations

An evaluation of qualitative considerations will form 40% of the admission decision. Gustavson recognizes that many different factors contribute to a person’s chances of success in business. Applicants are therefore required to submit information on their application/resumé forms outlining experiences and attributes which they feel indicate their suitability for the Bachelor of Commerce program.
Assessment for Admission

Admission decisions within each admission category will be based on applicants’ overall rankings based on scores that proportionately combine their quantitative and qualitative assessments. Admission to the Bachelor of Commerce program is subject to limited enrolment. The calculated score required for admission can fluctuate, depending upon the number and quality of the applications received in a given year.

Successful applicants will be admitted on the condition they complete 30 units of course work, including all required and elective pre-commerce course work, and will normally have satisfied the pre-commerce Co-op requirement before commencing the BCom program core courses.

In certain cases, applicants will be considered for admission with no fewer than 27 units of credit. Students should be aware, however, that they will be required to complete a total of 30 units of pre-commerce courses to be eligible to enter the BCom program core (Year 3). All applicants must complete the pre-commerce required courses by the end of the Winter Session prior to commencement of the BCom program core (Year 3).

Final acceptances and scholarships will be based on the complete pre-commerce 30-unit (or more) student record after the Spring term (May 30).

Limitation of Commerce Credit and Course Waivers

Applicants are required to take courses in other disciplines as part of their 30 units of pre-commerce coursework. Students intending to transfer to the BCom program from other institutions should be aware that a maximum of 4.5 units of Commerce courses may be used as part of the 30 units of pre-commerce courses.

All students will be expected to complete all of their Commerce courses within the BCom program. Students will not be granted waivers from any courses in the BCom program based on any previous credit.

APPLICATION MATERIALS

All forms are available from:

Business Student Service Office
Bachelor of Commerce Program
University of Victoria
PO Box 1700 STN CSC
Victoria BC, Canada V8W 2Y2
Phone: 250-472-4728
Fax: 250-721-7066
Email: bcom@uvic.ca

The Bachelor of Commerce Supplemental Application Form can also be obtained from the Gustavson website at:
<www.gustavson.uvic.ca/undergraduate>.

University of Victoria undergraduate application forms for students new to UVic and reregistration forms for returning students are available at the Undergraduate Admissions and Records website: <www.uvic.ca/apply>.

Current and returning UVic students must submit:
1. Bachelor of Commerce Supplemental Application Form
2. UVic Reregistration Form

Documents must be submitted to:
Undergraduate Records
University of Victoria
PO Box 3025 STN CSC
Victoria BCV8W 3P2

The Bachelor of Commerce Supplemental Application Form may also be returned directly to the Business Student Services Office.

New Students to UVic must submit:
1. Bachelor of Commerce Supplemental Application Form
2. UVic Application for Undergraduate -Admission

Documents must be submitted to:
Undergraduate Admissions
University of Victoria
PO Box 3025 STN CSC
Victoria BCV8W 3P2

The Bachelor of Commerce Supplemental Application Form may also be returned directly to the Business Student Services Office.

Admission Decisions for Entry in September

Students who are admitted to the BCom program will receive written information regarding registration in appropriate course work for the following academic year.

Faculty Academic Regulations

STUDENT RESPONSIBILITY

Students are responsible for ensuring that their courses have been chosen in conformity with the requirements of the BCom program. The Gustavson School of Business and the Business Co-operative Education (Co-op) program will consider the sessional address given to UVic Records Services as the proper contact address.

Students are directed to the University regulations with respect to Undergraduate Co-operative Education (page 77).

Students are advised to review the University of Victoria Undergraduate Academic Regulations (page 52).

The faculty, students and staff of Gustavson work together to promote professionalism and integrity. These are attributes that prepare our students for real leadership roles and create an environment of professionalism in the faculty. The faculty has developed two documents: a general guide, Principles of Professional Behaviour, and a more detailed guide, Standards for
Professional Behaviour. All students are subject to the provisions of these documents. Students who are found not to meet these standards may be withdrawn from the program. Copies are available from the Business Student Services Office (BEC 283).

**LETTERS OF PERMISSION**

Students in Gustavson who are planning to take a course at another institution are required to contact the Business Student Services Office for letters of permission before enrolling in the course. If permission is granted by the School of Business, a minimum grade of C in Commerce courses is required for transfer credit. Students may take a maximum of two 1.5 unit open commerce elective courses by letter of permission for credit in the Bachelor of Commerce degree program.

**Course Registration**

Students are admitted to the BCom program, not to particular areas of specialization. Space may be limited in specific areas of specialization outside the Commerce core. Students will be required to declare their specialization by the end of the first academic term in the BCom core.

Students are expected to have met all prerequisites for Commerce courses. A passing grade is acceptable for prerequisite purposes, unless a higher grade is called for in the course description. It is expected that students will complete a full course load each academic term (7.5 units). It is intended that students will progress through the BCom program core in a designated cohort group.

Students who withdraw from or receive a failing grade of F in a course listed within the Commerce core or a course required for their chosen specialization must repeat that course during the next academic term in which it is offered. Students who receive a failing grade of E in a core course may apply for a supplemental exam (see Supplemental Exam regulations under the appropriate section below). Students who do not apply for a supplemental exam by the published deadline will be considered to have failed the course, the opportunity to apply for a supplemental is rescinded, and the student must repeat the course in the next academic term that the course is offered.

**Supplemental Exams**

Supplemental examination privileges in Bachelor of Commerce core courses are granted to students who have a satisfactory standing in the program. Satisfactory standing for the purpose of supplemental examinations is defined as achieving the minimum academic standard of 3.0 in their most recent academic term. The maximum number of units of supplemental examinations allowed for any one student is normally three during their Bachelor of Commerce degree program. In addition, students may not apply for more than ONE supplemental examination during a given academic term.

Students must apply in writing for permission to write a supplemental examination. Students are eligible to take the supplemental examination in a course only if they have completed all the course work, written the final examination and received a grade of E in the course. Supplemental examinations cover only the course work covered by the written final examinations - they will not compensate for, or replace, project or assignment grades. If there was no written final examination in the course, or if a student did not have a passing grade on the course elements exclusive of the final exam, the student will not be eligible for the supplemental examination.

A passing grade obtained on a supplemental examination will be shown on the student's academic record with a grade point value of 1, corresponding to a D, and will be included as such in the calculation of the GPA for review of academic performance at the University and in determining the student's graduating average and standing at graduation. However, for the purpose of academic review and standing within the faculty, the actual grade received on the supplemental examination, together with the E grade that gave rise to the supplemental examination, will be used. A student who fails to pass a specific course after a supplemental examination must repeat the course or replace it with an alternative course approved by the Director of the Bachelor of Commerce program.

The fee for each supplemental examination is $45.00. In certain unique situations, students may apply for an off-campus supplemental examination. The testing locations for off-campus supplemental examinations outside British Columbia are restricted to universities and colleges, and the fee for an off-campus supplemental examination is $55.00. The Bachelor of Commerce program office must receive applications for supplemental examinations, accompanied by the necessary fees, by the following dates:

- for courses taken during the September-December term: January 15
- for courses taken during the January-April term: May 15
- for courses taken during the May-August term: September 15

No applications for supplemental exams will be accepted past these deadlines. Students will normally be notified of whether their application has been accepted or refused within approximately three weeks of the appropriate application deadline. Fee payments will normally be returned to students only in the case of rejected applications. The Gustavson School of Business schedules supplemental examinations.

**Waitlisting**

Normally, students have the option of being added to a waitlist for a class if the course enrolment is at its maximum; however, some exceptions do apply. Gustavson will accommodate students from a waitlist as spaces in the class become available, and the registration system will notify students via their UVic email address.

Students must drop themselves from waitlisted classes where the class is no longer wanted or needed during that term. Students waitlisted for courses are responsible for monitoring their registration status through the registration system ("My page").
Students should check their course registration on the last day of the 100% fee reduction period in each term to avoid being assessed unnecessary tuition fees.

The school reserves the right to establish its own criteria for priority registration in courses and sections.

**COURSE CHALLENGES**

The Gustavson School of Business does not accept course challenges.

**REVIEW OF ACADEMIC PERFORMANCE**

Students who have failed a work term required in the mandatory Business Co-op program, or have a GPA below 3.0 (65%) in any academic session, will be ranked as unsatisfactory and may be required to withdraw for at least one calendar year. Gustavson is under no obligation to re-admit students who have been required to withdraw, regardless of the cut-off GPA in the year in which they re-apply.

Students must complete all BCom program third-year core plus COM 205 or have permission of program director to enrol in fourth-year elective or specialization courses.

**EXAMINATIONS**

The final exam period for each academic term is available online. Students are advised to consult the online exam schedules before making arrangements for their personal schedules. It is the responsibility of all students to be present for the exam period for both midterms and finals. Gustavson is not responsible for conflicts between the final exam schedule and personal schedules of students. Requests to write an exam on a day other than the date designated by the official exam schedule will not be entertained. For academic regulations regarding deferred exams, please see Examinations (page 64).

Commerce courses with more than one section may have a common midterm exam scheduled by Gustavson. Students will be advised of the times and dates of the exams by Gustavson and may be expected to attend midterm exams outside the regular class schedule which may include Saturdays.

**WITHDRAWAL FROM THE BCom PROGRAM**

A student who does not register for any courses during the first academic term after admission, or during any subsequent academic terms while not on a Co-op work term or a leave of absence, will be considered to have withdrawn. Any student who is considered withdrawn must re-apply for admission and will be considered in competition with all other applicants. A student who has started the BCom program core and subsequently registers for courses applicable only to another department during an academic term must have the written permission of the Gustavson School of Business.

Students who voluntarily withdraw from the BCom program and later re-apply for admission must do so by the standard deadlines and will be considered in competition with all other applicants.

Gustavson is under no obligation to re-admit any student who has withdrawn.

**LEAVE OF ABSENCE**

Students must apply in writing to their academic adviser for a leave of absence. Unless given written permission by Gustavson to take a leave of absence, students who do not re-register will be considered to have withdrawn. Students on leave of absence are considered outside the program and will not be granted work term credit or academic course credit for experience gained during the leave.

**GRADUATION REQUIREMENTS**

The minimum requirements for graduation are:

1. completion of 30 units of required and elective pre-commerce course work
2. completion of 18 units of BCom program core as well as COM 204, 205 and 405
3. completion of 12 units of specialization courses and open Commerce electives, normally completed within the BCom program. Note that students who have entered the BCom program with Hospitality Management Diploma block transfers are required to complete 3.0 units of non-business electives and 9.0 units of specialization and open Commerce electives.
4. satisfactory academic performance as outlined above
5. satisfactory completion of three Co-op work terms within the regulations of the Gustavson School of Business and including any challenges or transfers granted

**Program Requirements**

The Bachelor of Commerce program combines learning in the classroom with work experience, an internationally diverse cohort group, and the opportunity for international work and study. Students start the BCom program core in the Fall term upon completion of their pre-commerce course work (30 units). Students are expected to follow the schedule of academic and work term sequencing outlined for each area of specialization to complete the remaining two years of study (30 units) in the Bachelor of Commerce program.

**REQUIRED COMMERCE COURSES (18 UNITS)**

- **COM 204 (0)**  Co-op Preparation
- **COM 205 (0)**  Professional Skills Development
- **COM 315 (1.5)**  Financial Accounting
- **COM 316 (1.5)**  Management Accounting
- **COM 321 (1.5)**  Leading People and Organizations I
- **COM 322 (1.5)**  Leading People and Organizations II
- **COM 331 (1.5)**  Introduction to Management Information Systems
COM 341 (1.5) Operations Management
COM 351 (1.5) Marketing Principles and Management
COM 361 (1.5) International Business
COM 362 (1.5) Business and Sustainability
COM 371 (1.5) Management Finance
COM 400 (1.5) Strategic Management
COM 402 (1.5) Legal Issues in Management
COM 405 (0) Career Preparation Across Borders

COM 204 may be completed in Year 2. The BCom program core, consisting of the above-listed 300-level COM courses plus 205, must be taken during the Fall and Spring term of Year 3. COM 400, 402 and 405 are completed during fourth year. COM 402 can be taken at any point during fourth year, usually in the elective term.

**SPECIALIZATIONS**

There are three specializations:

- International Business Management
- Entrepreneurship
- Service Management

**International Business**

For students interested in specializing in International Business, 3.0 units of a foreign language, or equivalent competence are strongly recommended within their pre-Commerce course work.

The International Business specialization requires that students have direct international experience outside North America. This requirement may be satisfied by participating in the international exchange program or in an international work study (IB 418) in the Fall term (at an additional cost). The requirement will be waived for international students and those who have completed at least one year of high school or university studies in a country in which English is not the primary language.

International Business is a three-course specialization.

IB 415 (1.5) Cross-national Management
IB 416 (1.5) International Marketing
IB 417 (1.5) International Finance

**Entrepreneurship**

Entrepreneurship is a five-course specialization, including COM 400.

ENT 410 (1.5) Venture Marketing Expertise
ENT 411 (1.5) Venture Planning/Finance Expertise
ENT 412 (1.5) Acquiring Expert Venture Cognitions
ENT 413 (1.5) Portfolio Practicum

Plus

COM 400 (1.5) Strategic Management

**Service Management**

Service Management is a three-course specialization.

SMGT 415 (1.5) Customer Experience Management
SMGT 416 (1.5) Service Operations and Quality Management
SMGT 417 (1.5) Service Human Resource Management

**Open Commerce Electives**

Please note that in addition to the 18 units of core courses and the required courses within the chosen specialization (4.5-6.0 units), students are required to complete an additional 6.0-7.5 units of open Commerce electives (prerequisites and corequisites still apply). Note that students who have entered the BCom program with a Hospitality Management Diploma block transfer are required to complete 3.0 units of non-business electives and 3.0 to 4.5 units of open Commerce electives.

**NON-SPECIALIZED**

Students may elect not to complete a specialization.

In addition to the 18 units of program core courses, students can select courses of interest from the specialization and open Commerce elective courses to make a total of 12 units (prerequisites/corequisites still apply). Priority registration in specialization courses goes to students in that specialization.

**INTERNATIONAL EXCHANGE PROGRAM**

The International Exchange Program (INTEP) provides the opportunity for eligible Commerce students, regardless of their specialization, to spend approximately four months studying at an overseas institution and receive full course credits for one term. Normally, studies overseas are conducted in the English language; however, some exceptions do apply. Participation in INTEP is equivalent to 7.5 units:

- COM 460 (1.5)
- COM 480 (2 x 1.5)
- COM 499 (1.5)

and normally

- COM 470 (1.5)

**INTEP Requirements**

To be eligible for international academic placements, student must meet the following requirements:

1. Completion of 300-level BCom program core.
2. A minimum GPA of 4.0 in all academic terms following entry to the BCom program core.
3. 3.0 units of a foreign language are strongly recommended. Note that students who have completed the language requirement will have priority in exchange placements.
4. Evidence the student has actively participated in international activities and events.
5. Permission of the Associate Director, International Programs and the Director, BCom Program.

Contact the International Programs Office for more details.

**BUSINESS MINOR PROGRAM**

Students following a Minor program in Business must complete the Business Minor core, consisting of COM 220, 240, 250, and 270 with a minimum grade of C+ (65%) in each course, plus at least 3 units of 300- or 400-level COM, ENT or IB courses.

Required courses at the 200-level or higher in the Business Minor program cannot form part of the requirements towards other programs or options.

**BUSINESS CO-OP PROGRAM**

The University regulations with respect to Undergraduate Co-operative Education (page 77) are applicable to the Business Co-op Program except to the extent that they are modified by regulations adopted by the Gustavson School of Business.

**Admission to the Business Co-op Program**

Co-operative education is mandatory in the Bachelor of Commerce program and forms an integral part of the academic requirements of the BCom degree. As such, admission to the Bachelor of Commerce program automatically results in admission to the Business Co-op program.

**Business Co-op General Regulations**

The following regulations apply to the Business Co-op program. General regulations found in the Co-operative Education Program section of the Calendar also apply to the Business Co-op program. Where Gustavson regulations differ from those of the Co-operative Education Program, Gustavson regulations will apply.

Co-operative Education work terms are four months of full-time paid work. The work placement must be related to the student’s learning objectives and career goals. The placement must be supervised, and the employer willing to conduct a mid-term and final evaluation of the student in consultation with a Co-operative Education Program Coordinator (known hereafter as a Coordinator).

Students must receive credit for three Co-op work terms. As per the general regulations for Co-op, 4.5 units of academic credit are awarded for each approved work term successfully completed. These work term credits may not be applied towards the graduation requirements for any degree or program except in fulfillment of the Co-op work term requirement. Students are required to complete at least two of these work terms through the University of Victoria Business Co-op Program as part of their degree program. Students may be granted credit for the first of these three work terms as follows:

- **Through the Work Term Challenge process**, following the guidelines outlined in the Work Term Credit By Challenge (page 79) section in Undergraduate Co-operative Education (page 77), credit will be granted where work experience is considered satisfactory and the requirements for a challenge are complete.
- A student with a recognized Co-op work term from another accredited post-secondary institution may apply for transfer credit. Students must apply in writing for work term transfer credit within the first 60 days of their initial academic term within the BCom program, identifying the program and work term for which they would like credit. *A transcript may be required.*

Business students may be admitted into the Business Co-operative Education Program in their second year and complete their first Co-op work term in the summer before commencing third year Commerce courses.

Students registered for work terms are considered to be enrolled in a full-time course of studies and may not take university level credit courses while on a work term. Under extraordinary circumstances, students may submit, in writing to the BCom Director, Undergraduate Programs, a request to register in a maximum of 1.5 units of university level course credit. If a student is on probation then no units of credit will be allowed during the work term. Students are reminded of their responsibility to maintain the minimum academic performance required by Gustavson. See Review of Academic Performance (page 401). Students with a GPA below 3.0 in an academic term will not be eligible to participate in the next scheduled Co-op work term.

Students should not expect to complete all their work terms in the summer months, nor should they expect to complete their BCom program on a work term or series of work terms. In certain cases, a student will be permitted to end the program on a Co-op work-term to satisfy the BCom Co-op work term requirements if the program scheduling would otherwise unduly prolong a student’s program completion. All decisions regarding the eligibility of a student to complete their program on a Co-op term will be made at the discretion of the Gustavson School of Business.

Students must sign a current Terms and Conditions document as provided by the Business Co-op Program in order to be eligible to participate in the placement process.

The Co-op Preparation Course is a mandatory requirement for business students. This program is a corequisite for students participating in the placement process prior to their first work term.

Students will be provided more information regarding the Co-op Preparation Program, its curriculum, and the requirements for completion upon admission to the BCom program.

Students are expected to participate fully in the placement process. While every attempt will be made to ensure that all eligible students are placed, Gustavson is under no obligation to guarantee placement. Students are only permitted to decline one valid Co-op job offer per Co-op term, any more than that and they will be deemed ineligible to participate in the placement process for the remainder of that term. Students should be prepared to spend at least one work term outside the greater Victoria area.
The Business Co-op Program reserves the right to approve any employer that provides placements for students and to withdraw a student from any placement assigned to a student. The student, however, has the right to be informed in writing of the reasons for any withdrawal and can follow the student appeal procedures as outlined in Student Appeal Procedures (page 84). Students may not withdraw from a placement without approval from a Coordinator. Failure to obtain permission will result in the student receiving a grade of N/X on the work term.

Students must be officially registered for the work term by completing the Work Term Registration Form, which is provided by the Business Co-op office, and providing any other required documentation by the end of the first month of the work term. Students not registered by that time may not receive credit for that work term. A Co-op Program Fee, which is non-refundable, is due in the first month of each term for six (6) terms and is subject to the University’s general fee regulations in General Regulations: Undergraduate Co-op (page 79).

Note: students admitted to BCom program prior to September 2012 will be assessed a work term fee upon registration in each work term as per tuition regulations in General Regulations: Undergraduate Co-op (page 79).

While on Co-operative Education work terms students are subject to the provisions of the Principles of Professional Behaviour and the Standards for Professional Behaviour documents developed for Gustavson students.

**Academic and Work Term Sequencing**

Work terms are normally of four months duration and should be integrated within the student’s academic program such that they alternate with academic terms, as designated by their area of specialization, until graduation.

The Gustavson School of Business may make amendments to a student’s academic and work term sequencing during the course of the program.

Students are expected to remain in the prescribed academic and work term sequencing. Priority will be given to placing students who are scheduled to go on a work term, as defined by their area of specialization. Students not scheduled to go on a work term will not be eligible to participate in the placement process.

**Assessment of Work Term Performance**

The requirements for a pass grade in a Co-op Work Term include the satisfactory completion of the following items:

- the student’s work term expectation form
- Work Site Visit by the Co-op Coordinator
- the employer’s work term evaluation
- the student's Final Competency Assessment and a work term report as assessed by the Coordinator and submitted by the deadlines specified below:
  - **Fall Work Term Report**: due December 15 (unless it falls on a holiday or weekend, in which case the report will be due the next business day)
  - **Spring Work Term Report**: due April 15 (unless it falls on a holiday or weekend, in which case the report will be due the next business day)
  - **Summer Work Term Report**: due August 15 (unless it falls on a holiday or weekend, in which case the report will be due the next business day)

Late work term reports will only be accepted (in the event of illness, accident or family affliction) with legitimate substantiation for academic concession. Otherwise, late reports will result in remedial requirements.

A grade of COM, F/X, or N/X will be assigned to students at the completion of each work term. Students who are assigned a grade of F/X or N/X for a work term that carries 4.5 units will have a 0 grade point assigned for that work term. Students who fail a work term or who have not completed a work term by the end of four academic terms may be required to withdraw from the faculty.
