Information for All Students

Academic Sessions

The Winter Session is divided into two terms: the first, September to December; the second, January to April.

The period May through August is the Summer Session.

Academic rules and regulations published in the University Calendar apply to all academic sessions.

The University reserves the right to cancel courses when enrolment is insufficient.

Calendar Changes

The official academic year begins on May 1. Changes in calendar regulations normally take effect with the beginning of the Summer Session on May 1. Nevertheless, the University reserves the right to revise or cancel at any time any rule or regulation published in the Calendar or its supplements.

The Calendar does not include information on when courses will be offered. Up-to-date timetable information is available from individual department offices and from the Office of the Registrar (OREG) website <www.uvic.ca/timetable>. Amendments to the timetable are incorporated into the Class Schedule Search, which is accessible at the website: <www.uvic.ca/timetable>.

Course Values and Hours

Each course offered for credit has a unit value. A full-year course with three lecture hours per week throughout the full Winter Session from September to April normally has a value of 3 units. A half-year course with three lecture hours per week from September to December or from January to April normally has a value of 1.5 units. A 3-unit course (3 hours of lectures per week throughout the Winter Session) approximates a 6 semester-hour or a 9 quarter-hour course. A course of 1.5 units approximates a 3 semester-hour or a 4.5 quarter-hour course.

Course Experience Survey (CES)

Towards the end of every course at the University of Victoria, all students will have the opportunity to complete a brief, anonymous, online survey on their experience as a student in the course. The purpose of the CES is to provide feedback to the instructor, the department and the university as a means to improve and sustain the quality of teaching, course design, and program development. The University regards it as a student’s responsibility to provide such feedback in order to support the constant improvement of programs for future students. Instructions to students will be provided for each course to obtain access to the survey via laptop, tablet, or mobile device.

Student Cards

All students require a current University of Victoria Identification Card. The card is the property of the University and must be presented upon request as proof of identity at University functions and activities. The electronic/digital records of the student card may be used for administrative functions of the University, including but not limited to, examinations, instruction, and campus security. Photo ID cards can be obtained, 24 hours following registration, at ONECard, University Centre Lobby.

Limit of the University’s Responsibility

The University of Victoria accepts no responsibility for the interruption or continuance of any class or course of instruction as a result of an act of God, fire, riot, strike or any cause beyond the control of the University of Victoria.

Program Planning

Students are responsible for the completeness and accuracy of their registrations and for determining the requirements of their program at UVIC. Please read the Calendar for information about programs and courses. Further information about program regulations or requirements is available from the appropriate faculty advising service or department.

Protection of Privacy and Access to Information

All applicants are advised that both the information they provide and any other information placed into the student record will be protected and used in compliance with the BC Freedom of Information and Protection of Privacy Act (1992).

Disclosure of personal information to vendors, systems or services storing or accessing that information outside of Canada without consent is restricted by s. 30.1 of FIPPA.

Instructors may use a variety of educational technology in a course including internet-based technologies, web-based applications, cloud services and social media. The use of technology is intended to enhance and/or deliver students’ education and is part of a student’s engagement at the University. Some of these technologies may collect, use, disclose, and store student and instructor personal information outside of Canada.

In some courses, instructors may require students to use educational technology and social media which stores personal information outside of Canada, in such cases, instructors will try to provide options (such as using an alias or nickname to register).

If students do not want their personal information stored or accessed outside of Canada, in certain rare instances, courses may not be available to them. If the course is required for the completion of a degree, alternatives will be provided.

Notification of Disclosure of Personal Information to Statistics Canada

Statistics Canada is the national statistical agency. As such, Statistics Canada carries out hundreds of surveys each year on a wide range of matters, including education.

It is essential to be able to follow students across time and institutions to understand, for example, the factors affecting enrolment demand at postsecondary institutions. The increased emphasis on accountability for public investment means that it is also important to understand ‘outcomes’. In order to conduct such studies, Statistics Canada asks all colleges and universities to provide data on students and graduates.

Institutions collect and provide to Statistics Canada, student identification information (student’s name, student ID number, Social Insurance Number [where on file]), student contact information (address and telephone number), student demographic characteristics, enrolment information, previous education, and labour force activity.

The federal Statistics Act provides the legal authority for Statistics Canada to obtain access to personal information held by educational institutions. The information may be used for statistical purposes only, and the confidentiality provisions of the Statistics Act prevent the information from being released in any way that would identify a student.

Students who do not wish to have their information used can ask Statistics Canada to remove their identifying information from the national database. On request by a student, Statistics Canada will delete an individual’s contact information (name, address, or other personal identifiers) from the PSIS database.

To make such a request, please contact us:
The University of Victoria is committed to promoting, providing and interpreting in a way that is consistent with these goals, with the responsible exercise of academic freedom.

The Policy addresses discrimination, including adverse effect discrimination, and harassment, including sexual harassment, on grounds protected by the British Columbia Human Rights Code. Prohibited grounds for discrimination are race, colour, ancestry, place of origin, political belief, religion, marital status, family status, physical or mental disability, sex, sexual orientation, gender identity or expression, age, or conviction of a criminal offence when unrelated to employment. The Policy also addresses personal harassment.

The Discrimination and Harassment Policy and Procedures are administered by the Equity and Human Rights Office. Persons who experience or know of harassment or discrimination may contact the Office by phoning 250-721-8786 for confidential advice and information. Definitions are included in the Discrimination and Harassment Policy and Procedures (Policy GV0205) which can be found on the office website, <www.uvic.ca/eqhr>.

Creating a Respectful and Productive Learning Environment

The University of Victoria is committed to promoting critical academic discourse while providing a respectful and productive learning environment. All members of the university community have the right to experience, and the responsibility to help create, such an environment. In any course, the instructor has the primary responsibility for creating a respectful and productive learning environment in a manner consistent with other university policies and regulations. Instructors or students who have unresolved questions or concerns about a particular learning environment should bring them to the Chair or Director of the unit concerned (or Dean, in the case of undepartmentalized faculties).

Graduate students are encouraged to familiarize themselves with the Responsibility in the Supervisory Relationship Policy available at <https://www.uvic.ca/graduatestudies/research/home/yoursupervisor/relationship/>.

Student Discipline

A student or former student may be reported to the President for disciplinary action and may be suspended, subject to appeal to the Senate, for misconduct, including but not limited to such matters as a breach of University regulations or policy, for example, Acceptable Use of Electronic Information Resources (Policy IM7200), Discrimination and Harassment Policy (and Associated Procedures) (GV0205), Resolution of Non-Academic Misconduct Allegations Policy (AC1300), Sexualized Violence Prevention and Response Policy (GV0245), a breach of a provision in the University Calendar, or a violation of provincial law or a law of Canada. In particular, a student may be reported for unlawfully entering a building or restricted space on University property, providing false information on an application for admission, reregistration, or other University document, submitting a falsified transcript or other document or participating in hazing, which is prohibited by University regulation.

The team of physicians, nurses, office/admin staff, and specialized practitioners use a shared-care approach to carry out health screening, medical assessments, self-care education, pharmacology, treatments and therapy, care coordination, and referral to on-site psychiatry or other community specialists.

Group medical visits are provided for a few specific health issues. Please see our website for information.

We collaborate with and refer students to campus and community resources and to Island Health for specialized programs and hospital care.

**Medical Coverage and Eligibility**
To see a physician, students must have a valid Provincial Health Care Card or international healthcare coverage, or will be billed directly.

**British Columbia Residents**
British Columbia students must have current enrolment in the BC Medical Services Plan. A valid medical insurance identification number (BC Care Card) must be provided for a physician visit at Health Services.

**Residents of Other Provinces**
Students from other provinces may continue their provincial medical coverage and provide their medical insurance identification number when they visit Health Services. All Canadian provincial/territorial plans (except Quebec) are accepted. Students from Quebec can apply to BC Medical Services Plan, or can pay for services at the time of their visit then seek reimbursement from their Quebec plan.

**Non-residents of Canada**
The University of Victoria provides a mandatory temporary medical insurance plan (MTMI) for all new international students as a condition of registering as a student (excludes Canadian citizens and permanent residents of Canada). This insures emergency hospitalization and medical services (including doctor’s visits) for sickness or injury covered by the policy.

All new international students who pay international tuition fees, as well as international exchange students are automatically assessed a fee for the first term they are registered. This does not include visiting international research students (VIRS).

It is the personal responsibility of the student to evaluate the mandatory temporary medical insurance coverage and purchase supplementary insurance as required to meet their individual needs and requirements.

Students that will become eligible for BC Medical Services Plan coverage should immediately enroll upon arrival to BC, as the process takes approximately three months.

For applications to the BC Medical Services Plan go to <www.healthservices.gov.bc.ca/msp> BC MSP (for physician and hospital directed care) is NOT the same as the UVSS or GSS extended medical coverage.

**Visiting International Research Students**
VIRS who are not residents of Canada and do not qualify for the MTMI should arrange for interim travel medical insurance coverage until they are eligible for the BC Medical Services Plan or until they depart the country.

VIRS that will become eligible for the BC Medical Services Plan should immediately enroll upon arrival to BC as the process takes approximately three months. BC MSP (for physician and hospital directed care) is NOT the same as the UVSS or GSS extended medical coverage.

VIRS without BC MSP* will be billed directly at the time of a physician visit and provided a receipt for possible reimbursement from their private medical insurance plan.

Application forms for interim travel medical insurance coverage can be found at:

Applying for Campus Housing
Students apply for campus housing through the UVic Residence Services website. The electronic application form for entry in September 2019 will
be active on the Residence website February 15, 2019. To apply, a student must have a UVic Student ID number.

First-year students entering the University in the same year they graduate from high school are guaranteed an offer of on-campus accommodation provided they have completed all of the following steps before June 30:

- submitted an application to Residence Services
- paid the $50.00 (non-refundable) residence application fee
- been admitted to the University
- accepted the offer of admittance to UVic and paid the acceptance deposit to UVic

Every effort is made to meet applicants’ preferences; however, because of the limited availability of campus housing, not all preferences can be met.

**Wait List**

Once all rooms have been assigned, a wait list is created. As vacancies occur, assignments are made from this list. It is the applicant’s responsibility to ensure that their email address and contact information is updated in the University Record at <www.uvic.ca/mypage>.

**Payment Procedure for Dormitory and Cluster Housing**

**Acceptance Payment**

All residents are required to pay a $250 security deposit and a $500 acceptance payment to confirm acceptance of an offer of dormitory or cluster housing. The acceptance payment is applied to first-term fees and is due within the deadline outlined in the room offer. Refunds will be made only if the student is subsequently denied admission to UVic or is unable to attend for medical reasons.

**Payment Due Dates**

The remaining accommodation payments are due by the following dates:

- **August 1** balance of first-term fees
- **October 1** $500 second-term deposit
- **November 15** balance of second-term fees

A room assignment will be cancelled if the student fails to meet an acceptance or payment deadline.

**Payment Procedure for Family Housing**

To confirm acceptance of a family housing unit, students must sign a tenancy agreement and pay a security deposit ($500).

Rent is due on the first day of each month.

Rental rates for the various types of accommodation will be confirmed at the time an offer of accommodation is made.

**Moving In**

Dormitory and cluster housing rooms are available as per the date indicated in the contract. Accommodation before this date may be available under special circumstances. Written approval must be obtained from the Residence Services Office. Approved early arrivals are charged an additional fee per night for room only. In addition, early arrivals must accept a special contract to cover the early arrival period.

Students who are unable to move in by the first day of classes must notify Residence Services in writing before that date or their housing assignment will be cancelled.

**Residence Contract**

Students must choose one of two contract options: the 8-month (Sept-April) contract; or the 4-month (Jan-April) contract. Graduate students have the option to choose a 12-month (Sept-Aug) contract. The contract must be signed online to accept the room offer.

Cancellations prior to Move-in Date (from date of room acceptance until Thursday, August 29, 2019) will result in the forfeiture of the $500 room acceptance deposit. From Friday August 30 until Sunday September 1, cancellations will result in the forfeiture of both room acceptance and security deposit ($750). After this period a charge of sixty days of accommodation and a $250 cancellation fee are applied to all contract cancellations, withdrawals and evictions.

Multifaith Services is a campus resource for UVic students interested in spiritual learning, practice, service and community. The Service is predicated on the conviction that active spirituality strengthens the student experience and contributes to wellness. We draw upon the resources of diverse spiritual traditions and foster a strong network of relationships that includes participation from Bahá’í, Buddhist, Christian, Jewish, Muslim and Unitarian communities and those who do not connect to any one tradition, but are simply seeking spiritual identity, learning and support.

Learning about spiritual wisdom is facilitated through workshops, discussion circles, speaker series, special events and study groups. Developing a spiritual practice is made possible through groups on meditation, healing touch, prayer, worship and ritual. Opportunity for Service is facilitated by mentoring student volunteerism in non-profit service and social activism agencies. Community amongst students is supported through retreats, student religious clubs and social events.

Join others on the spiritual journey through Multifaith Services. Find a community for spiritual learning, support, fun and friendships that will last a lifetime.

Email: infocal@uvic.ca

As a unit within the Division of Student Affairs, the Centre for Accessible Learning (CAL) is responsible for providing a comprehensive student-focused accessible learning model and delivers training and education to faculty to further the University’s commitment to provide equal access to all academic programs. CAL is a core academic support unit for both students and faculty and contributes to academic and personal success for students.

CAL supports registered students in credit-courses by:
Students do not need to self-identify when they are applying or being admitted to the University. Students must submit medical and/or psychological documentation if they choose to register with the CAL in order to request academic accommodations. Students should register with the CAL as early as possible to avoid delay in services.

An IEP from a previous school is not sufficient documentation. A diagnosis of disability alone does not guarantee academic accommodations.

See the FAQ section of the CAL website <www.uvic.ca/cal> for info on documentation.

CAL has deadlines for registering, and for requesting test and exam bookings. Students who have recent diagnoses or require a change in their academic accommodations may still request accommodations after the deadlines:

- the deadline for requesting academic accommodations for the September term is October 31st
- the deadline for requesting academic accommodation for the January term is February 28th

Exam requests must be received a minimum of two weeks before the scheduled exam, and for finals, two weeks before the first day of the final exam session.

There are federal and provincial grants for qualified students that can help fund services, programs and technology.

The mandate of the GSS is to represents the interests of graduate students and address issues that concern them at the university and in the larger community.

Grad students democratically elect a five-member executive board that works with the staff to advocate for and provide services to students. Graduate students also select departmental representatives to sit on Grad Council, a body that meets monthly to discuss current events and issues and provide direction to the executive board. The participation of graduate students in the various committees of the GSS is a crucial aspect of its organization and functioning. The Society strives to ensure graduate student representation on all university decision-making bodies.

The services provided by the Society include the Extended Health and Dental Insurance Plans, Universal Bus Pass, boardroom and lounge space in the Grad Centre, child care bursaries (administered through Financial Aid), the annual handbook/daytimer, department grants to support academic and social grad student initiatives, Modo Car Co-op membership, and special events. These services are funded by membership fees, which are collected by the university on behalf of the Society. Grad students are eligible to use rooms in the Grad Centre free of charge for academic-related meetings and events. The Society, in collaboration with the Faculty of Graduate Studies, funds a travel grant program to help graduate students attend professional meetings and conferences. The GSS also operates the Grad House Restaurant and Side Project Coffee, which provide excellent food and coffee at great prices in a friendly, accessible environment open to all. For more information please visit the General Office (rm 102) in the Halpern Graduate Student Centre, or call 250-472-4543.

CFUV 101.9 FM is Victoria’s campus/community radio station, broadcasting from the basement of the Student Union Building. CFUV’s focus is to provide a space for underrepresented voices on the airwaves and to support our local music and arts community.

CFUV provides opportunities for students to learn skills in broadcast, production, interviewing and sound engineering. Volunteers produce all of CFUV’s programming which includes various music, spoken word and multi-cultural/language programs. No previous broadcast experience is necessary and all training is provided. Any students who are interested in getting involved should contact the Coordinator of Volunteers at volunteer@cfuv.ca or sign up to volunteer at http://cfuv.ca.
