DEGREES AND PROGRAMS OFFERED

The Faculty of Fine Arts comprises the Departments of Art History and Visual Studies, Theatre, Visual Arts, Writing and the School of Music. The faculty offers programs leading to the degrees of Bachelor of Arts, Bachelor of Fine Arts, Bachelor of Music and Bachelor of Science. The faculty also offers interdisciplinary programs in Film Studies, Arts of Canada, Technology and Society, as well as diploma and certificate programs in several subdisciplines of Fine Arts.

Graduate Programs

Graduate studies are offered in Music, Art History and Visual Studies, Theatre, Visual Arts and Writing. For information on graduate programs, please refer to the *UVic Graduate Calendar*.

Co-operative Education Programs

Please refer to "Undergraduate Co-operative Education" (page 60) for a general description of Co-operative Education. In the Faculty of Fine Arts, the Humanities and Fine Arts Co-operative Education program is offered. For information, please see "Humanities and Fine Arts Co-operative Education Program" (page 134). Details of the program in the Department of Writing are outlined under the "Minor in Professional Writing in Journalism and Publishing Co-op Option" (page 151).

Admission to and completion of co-operative education programs are governed by individual departmental requirements. As a required part of the program, students are employed for specific work terms. Normally, the expected number of weeks per work term is 15 and the expected number of hours per week is 35. The minimum number of weeks per work term is 12 and/or 420 hours. This employment is related as closely as possible to the student's course of studies and individual interest. Students may withdraw from the Co-operative Education Program at any time during an academic term and remain enrolled in a degree program offered by their department.

ACADEMIC ADVICE AND PROGRAM PLANNING

Students entering the faculty for the first time should consult the Faculty of Fine Arts Advising Centre in Room 119 of the Fine Arts Building for advice about course planning.

Students entering the School of Music should consult the School of Music for advice about course planning. If possible, this should be done before registration.

Students registered in the Faculty of Fine Arts who intend eventually to enter the teaching profession should note the admission requirements of the programs of the Faculty of Education. These requirements should be

kept in mind when choosing academic electives in undergraduate degree programs.

Pre-Architecture Planning

Since Canadian Architectural programs vary widely in their prerequisites for admission, undergraduates interested in future careers in architecture, urban planning or landscape architecture are urged to request this essential information from the School of Architecture they are interested in entering.

For advice on course selection, students planning an architectural degree should consult the Fine Arts Advising Centre or the Advising Centre for the Faculties of Humanities, Science and Social Sciences.

AVAILABILITY OF COURSES TO STUDENTS IN OTHER FACULTIES

All courses in the Faculty of Fine Arts carry unrestricted credit in the Faculties of Humanities, Science and Social Sciences.

Students in the Faculty of Education may register for credit in any course offered by the Faculty of Fine Arts, provided space is available and they have the prior approval of the Teacher Education Advising Centre.

LIMITATION OF ENROLMENT

Because of limited space and resources in some programs, not all qualified candidates can be admitted; early application is therefore highly recommended.

Students from other faculties should note that enrolment in certain courses may be limited and preference given to students registered in the Faculty of Fine Arts. Consult the department or school concerned for specific information.

Faculty Admissions

ADMISSION REQUIREMENTS

Applicants seeking admission to the Faculty of Fine Arts should refer to "Admission Requirements" (page 31). Additional requirements for admission to the Departments of Music, Theatre, Visual Arts and Writing are included in each department's entry.

ADMISSION TO A SECOND BACHELOR'S DEGREE

Students wishing to complete a second bachelor's degree should proceed as outlined under "Second Bachelor's Degrees" (page 54).

CREDIT FOR COURSES OFFERED BY OTHER INSTITUTIONS

Students who plan to undertake work at other universities must receive prior approval from the Fine Arts Advising Centre. To be eligible for a Letter of Permission to take courses elsewhere, the student must have completed, or be registered in, no less than 6 units at UVic. Upon successful completion of such work, the student must request the registrar of the other university to send an official transcript of record to Undergraduate Records at UVic.

Candidates for a bachelor's degree must normally complete at UVic a minimum of 30 units at the 100 level or above, including at least 18 of the minimum 21 upper-level units required for all degree programs. Students may take at another institution:

- no more than 6 of the upper-level units required for the Honours Program
- no more than 3 of the 15 upper-level units required for the Major Program

- no more than 3 of the 9 upper-level units required for the Minor Program

Applications for Letters of Permission to undertake studies elsewhere must be accompanied by \$10.00 payment per application, per institution.

Faculty Academic Regulations

GENERAL REGULATIONS

Calendar regulations governing registration, fees, and academic advancement apply to all students registered in the Faculty of Fine Arts. Special regulations are set out under the department entries.

FACULTY OF FINE ARTS DEGREE REQUIREMENTS

Each candidate for a Bachelor's degree in the Faculty of Fine Arts is required:

1. to have satisfied the "Academic Writing Requirement" (page 40).
2. to present credit in a minimum of 60 units of university-level courses numbered 100 and above; at least 30 of these 60 units must normally be UVic courses.
3. to include in these 60 units a minimum of 21 units of courses numbered at the 300 and 400 level; at least 18 of the 21 upper-level units should normally be UVic courses.
4. to meet the specific program requirements prescribed by the faculty for the student's declared degree program (see individual department and school listings for details).

RECORD OF DEGREE PROGRAM

All students in the Faculty of Fine Arts are required to complete a Record of Degree Program form in consultation with the Fine Arts Advising Centre (or, in the case of Music students, with the School of Music office) preferably near the beginning of their third year of studies. The purpose of this form is to ensure that proposed courses will meet the requirements for the degree program selected.

Faculty Degree Programs

HONOURS AND MAJOR PROGRAMS

Details of Honours and Major programs in the faculty are presented under the entries of the individual departments offering the programs.

INTERFACULTY PROGRAMS

It may be possible for students to arrange for an Interfaculty Double Honours, Joint Honours and Major or Double Major Program. Students must contact the Advising Centre for the Faculties of Humanities, Science and Social Sciences for further information and are strongly urged to do so before registering in courses which they wish to count for credit on an Interfaculty Program. Such programs involve satisfying the Honours and/or Major requirements of two disciplines, both leading to the same degree, in two different faculties. Agreement to details of all such programs must be signed by the student and by representatives of the academic units involved. Students in an Interfaculty Program will be subject to the regulations of the faculty in which they are registered.

Only one Bachelor's degree with a Double Honours or a Joint Honours/Major or a Double Major will be awarded on the recommendation of the faculty in which the student is registered.

It may be possible for students to arrange to undertake an Interfaculty Minor in the Faculties of Humanities, Science and Social Sciences. Students must contact the Advising Centre for the Faculties of Humanities, Science and Social Sciences for further information, and are

strongly urged to do so prior to registering in courses which they wish to count for credit on an Interfaculty Minor.

INTERDEPARTMENTAL DOUBLE HONOURS OR MAJOR

A student in one department in the Faculty of Fine Arts may concurrently satisfy the requirements of a program in a second department by completing the program requirements in the second area with the permission of both departments. Only one degree will be awarded. For example, a student majoring in Art History and Visual Studies may concurrently satisfy the requirements for the program in Visual Arts and thereby qualify for a BA with a Double Major in Art History and Visual Studies and Visual Arts. Conversely, a student majoring in Visual Arts may concurrently satisfy the requirements for the program in Art History and Visual Studies and thereby qualify for a BFA with a Double Major in Visual Arts and Art History and Visual Studies. Students interested in taking a Double Honours or Major Program should consult the Fine Arts Advising Centre.

In any case where two different classes of degree result, each class will be tied to the respective discipline instead of the degree, and will be shown in the student's academic record.

MINOR PROGRAMS

The Faculty of Fine Arts offers Minors in:

- "Art History and Visual Studies" (see page 137)
- "Arts of Canada Program" (offered jointly with the Faculty of Humanities; see page 329)

HUMANITIES AND FINE ARTS CO-OPERATIVE EDUCATION PROGRAM

Allison Benner, BA (Mt Allison), PhD (UVic), Co-operative Education Coordinator

The Humanities and Fine Arts Co-operative Education Program is a year-round program which, through work terms of employment in a variety of organizations, enables students to combine work experience with an education in the Fine Arts and/or Humanities.

Applications and further information about the Humanities and Fine Arts Co-operative Education Program are available from the Co-op Coordinator, Room D128, Clearihue or at <www.uvic.ca/coopandcareer/co-op/info-by-program/other-programs/index.php/>.

Program Requirements

Any student registered in a BA, BFA, BSc, BMus, MA, MFA or PhD degree in the Faculty of Fine Arts or the Faculty of Humanities or registered in the Cultural Resource Management Program, the English Minor in Professional Communication, the Minor in Professional Writing in Journalism and Publishing or the Diploma Program in Intercultural Education will be admitted to the Humanities and Fine Arts Co-operative Education Program.

Prior to seeking their first Co-op work term, students must:

1. be registered in a full course load (at least 6 units of course work per term)
2. have achieved at least a 5.0 GPA in a full course load in the previous term
3. complete satisfactorily the Work Term Preparation Seminars
4. submit an acceptable resumé and cover letter stating their Co-op goals

To continue in the program, a student must:

1. be enrolled full time in a program leading to a BA, BFA, BSc, BMus, MA, MFA or PhD degree in a discipline offered in the Faculty of Humanities or the Faculty of Fine Arts or a Diploma in the Cultural Resource Management Program, the English Minor in Professional Communication, the Minor in Professional Writing in Journalism and Publishing or the Diploma Program in Intercultural Education
2. maintain a GPA of at least 5.5 in the courses in the degree area
3. maintain a GPA of at least 5.0 overall

To receive the Co-op designation upon graduation, undergraduate students must perform satisfactorily in each of the three required work terms.

The Humanities and Fine Arts Co-op Program is designed to provide students with an academic background as well as core- and discipline-specific competencies appropriate to a wide range of careers.

Students who are taking double or combined Major degrees, or a Major and a Minor (where each area offers a Co-op program) may, if eligible, enrol in and undertake work terms in both Co-op programs or may, if

eligible, enrol in and undertake work terms in only one Co-op program. Students who complete at least two work terms in each area will have the combined nature of their program noted as part of the Co-op designation on their official records. Students enrolled in combined degrees where a minimum of three work terms are required must complete at most two work terms in one department.

General regulations pertaining to Co-operative Education Programs of the University of Victoria are found under "General Regulations: Undergraduate Co-op" (page 62). Students are advised that a Co-op Education Program tuition fee is charged.

FINE ARTS WORK EXPERIENCE PROGRAM

The Fine Arts Work Experience Program is intended for students in the Faculty of Fine Arts who are enrolled in at least 3 units of courses in the Fine Arts. Students who are not in the Faculty of Fine Arts, but are in interdisciplinary studies with the Faculty of Fine Arts, and enrolled in at least 3 units of courses in the Faculty of Fine Arts, may be considered for the Work Experience Program. Students participating in the Fine Arts Work Experience Program will complete one or two work experience terms, that is, four to eight months of full-time, discipline-related work under the supervision of the Humanities and Fine Arts Co-op Program. These work experience terms are subject to the general regulations for Undergraduate Co-op programs in the University Calendar, with the exception that "Work Term Credit By Challenge", page 62, is not permitted. Work Experience students may transfer to a regular Co-op program, subject to approval from the Co-op Coordinator. Participation in this program is limited. Students should contact the Humanities and Fine Arts Co-op office to discuss entry into this program.

FINE ARTS POST-STUDY INTERNSHIP PROGRAM

The Fine Arts Post-Study Internship Program is intended for students who are enrolled in fulltime studies, leading to a baccalaureate degree. Students participating in the Post-Study Internship Program will complete internship placements, (full-time, discipline-related work) under the supervision of the Humanities and Fine Arts Co-op Program. Internships are only available after all academic coursework has been completed and prior to graduation. Internships are normally of four months duration. In the undergraduate programs, students are required to complete satisfactorily at least one internship placement, but no more than three consecutive internship placements. These internship placements are subject to the general regulations for Undergraduate Co-op programs in the University Calendar, with the exception that "Work Term Credit By Challenge", page 62, is not permitted. These internship placements may not be applied toward the graduation requirements for any co-op or work experience program. Participation in this program is limited. Students should contact the Humanities and Fine Arts Co-op office to discuss entry into this program.

Diplomas and Certificates

The faculty offers the following diploma and certificate programs:

- "Diploma in Fine Arts" (see below)
- "Diploma in Cultural Resource Management" (see page 137)
- "Certificate Program in Foundations in Indigenous Fine Arts" (see below)
- "Professional Specialization Certificate in Heritage Conservation Planning (see page 138)
- "Professional Specialization Certificate in Collections Management" (see page 138)

DIPLOMA IN FINE ARTS

Note: The Diploma in Fine Arts program is being discontinued and therefore we are no longer accepting applications. We encourage you to look at other Faculty of Fine Arts <www.uvic.ca/finearts> or Division of

Continuing Studies programs <www.continuingstudies.uvic.ca/programs>.

The Fine Arts Diploma Program is designed for persons who wish to pursue a personal interest in the fine arts through part-time study. Its focus, structure, content, and flexibility are well suited to active people who may also be balancing jobs, families, and community responsibilities. While the diploma program may have some career benefits, its primary purpose affirms the traditional university value of learning for its own sake. Applicants must be admissible to the University of Victoria and have demonstrated interest in the fine arts.

The Program offers students the opportunity to take selected courses from the Departments of Art History and Visual Studies, Music, Theatre, Visual Arts, and Writing, based on themes of study that are selected and approved at the time of application. A total of 15.0 units, made up of the core course FA 101 Creative Being (1.5 units), and elective courses from the Faculty of Fine Arts that enable the student to pursue themes of particular interest, are required for the Diploma. Up to 3.0 units of credit may be taken outside the Faculty of Fine Arts with the approval of the Associate Dean. As this program is primarily intended for students pursuing a personal rather than a professional interest in the arts, studio or performance courses are not normally emphasized.

Students may apply to obtain up to 6.0 units of transfer credit to be used towards their Diploma for equivalent UVic courses, as long as the credits have not been used in a previous credential.

Credit obtained within the Fine Arts Diploma Program may be transferable to a regular undergraduate degree program. However, such transferability of credit is always subject to the specific requirements of the degree program.

The Fine Arts Diploma Program is offered by the Faculty of Fine Arts in cooperation with the Division of Continuing Studies. Admission is subject to the approval of the Associate Dean of Fine Arts. For further information about the Program, please contact Continuing Studies at 250-721-8457 or by email at <fadp@uvcs.uvic.ca>.

CERTIFICATE PROGRAM IN FOUNDATIONS IN INDIGENOUS FINE ARTS

In co-operation with the En'owkin International School of Writing and Visual Arts in Penticton, BC, the faculty offers a Certificate in Foundations in Indigenous Fine Arts. This Certificate is only available for students who complete course requirements at the En'owkin Centre. The Certificate Program is designed primarily for mature Indigenous students who wish to develop specialized skills in creative writing and/or visual arts in an Indigenous context. Students may complete the program on a part-time basis but must successfully complete at least 13.5 units of course work over a period of two to six years.

Admission Requirements

Students wishing to be admitted to the Certificate in Foundations in Indigenous Fine Arts should contact:

Transcripts will be required at this point only to identify course credits that satisfy the University of Victoria Academic Writing Requirement.

Please note that students will be admitted through the En'owkin School for the Certificate Program only. Students who wish to continue their studies in any other University of Victoria courses or programs must apply to reregister through UVic Undergraduate Records and provide complete transcripts of all prior academic work. Credit obtained within the Certificate Program may be transferable to a regular UVic degree program. Transferability of credit is, however, subject to the specific requirements of the degree program. Students who wish to pursue a BA or BFA in Visual Arts or Writing at the University of Victoria must re-apply to UVic Undergraduate Records and fulfill all normal admission, program and course requirements. Students are strongly advised to consult the Chair of the appropriate department as early as possible.

Honours Program

Admission

The Honours Program provides the possibility for more intensive study in the field of Art History and Visual Studies, and is intended for those who wish to continue on to graduate studies in Art History and Visual Studies or related professional disciplines.

Students may apply to enter the Honours Program after completion of a minimum of 9 units of course work in Art History and Visual Studies with a GPA in these courses of 6.0 (B+) or better.

Program Requirements

In addition to the general "Minimum Degree Requirements for Graduation" on page 53, students taking a BA Honours in Art History and Visual Studies must satisfy the following requirements:

1. AHVS 120, AHVS 121
2. 3 units of AHVS at the 200 level
3. AHVS 499

4. 19.5 units of AHVS at the 300- or 400- level that must include 3 units in each of the following four areas of study which encompass ancient through to contemporary unless otherwise stated:
 - Europe, Mediterranean before the modern period
 - Islam, Asia
 - Arts of the Americas, Modern and Contemporary art and architecture
 - Indigenous arts, Pacific Northwest Coast

These 19.5 upper-level units must also include at least 1.5 units of a 400-level seminar other than AHVS 499 and AHVS 498. The seminar is usually to be taken in the fourth year. The seminar may be taken in third year only when approved by the Chair.

5. 3 units of AHVS at any level
6. FA 101, preferably in the first year

Honours Language Requirement

Before graduation, each student will be required to demonstrate a reading knowledge of a language other than English, appropriate to the area of special interest. This requirement will be satisfied by completion of 3 units of 200-level or above language or literature courses (excluding those taught in English using translations).

Also acceptable are GMST 405 or FRAN 180. For Indigenous languages, a minimum of 4.5 units within a single language is acceptable. In special circumstances, students may request permission to take a translation examination administered by the department.

A grade point average of at least 4.0 (B-) is necessary in all courses taken to meet the language requirements.

Standing at Graduation

Third-year students whose performance in the Honours Program falls below a GPA of 3.5 will be required to transfer to the Major Program at the beginning of their fourth year. Fourth-year students whose graduating average, or whose average in courses taken in the department at the 300 and 400 level, is below 3.5, but who otherwise meet the University requirements for graduation, will receive a BA with a Major in Art History and Visual Studies.

Major Program

In addition to the general "Minimum Degree Requirements for Graduation" on page 53, students taking a BA Major in Art History and Visual Studies must satisfy the following requirements:

1. AHVS 120, AHVS 121
2. 3 units of AHVS at the 200 level
3. AHVS 498 taken in the 4th year.

These 13.5 upper-level units must include at least 1.5 units of a 400-level seminar other than AHVS 498. AHVS 499 is not open to students in the Major Program. The seminar is usually to be taken in the fourth year. The seminar may be taken in third year only when approved by the Chair.

5. FA 101, preferably in the first year.

Students wishing to declare a Major in Art History and Visual Studies should contact the adviser at the Fine Arts Advising Centre. Students interested in this program are welcome to consult with this adviser before they declare their Major.

1. AHVS 120, AHVS 121
2. 3 units of AHVS at the 200 level
3. 9 units of AHVS at the 300 or 400 level

Courses taken for the Minor cannot be used to complete requirements for a Major or Honours Program. However they can be used to satisfy co- or prerequisites.

A student may also complete a General Program that combines an Art History and Visual Studies Minor with one of the General Programs in Humanities or Social Science. The degree will be a BA awarded by the faculty offering the General Program.

Minor in Museum Studies

Cultural Resource Management Program

Program Description

The Cultural Resource Management Program offers a Diploma in Cultural Resource Management and a Professional Specialization Certificate in Collections Management. The program serves those who are currently involved professionally in museums, art galleries, historic sites, building conservation and related cultural stewardship activities. Students in related disciplines may also participate in program courses.

Diploma in Cultural Resource Management

The curriculum of the Diploma Program in Cultural Resource Management features three areas of specialization: museum studies, cultural management and heritage conservation. Candidates may register for courses in one or more areas for credit towards the diploma.

Courses are offered at the third- and fourth-year undergraduate level. Applicants who do not hold a bachelor's degree will normally be expected to have completed a minimum equivalent of two years of post-secondary education. In addition to academic background, applicants should normally have prior involvement in the cultural, museum or heritage sector to provide a context for studies.

The diploma program may be completed in a minimum of one calendar year. The normal period of completion is two to three years of part-time study.

Credit obtained within the Diploma Program may be transferable to a regular undergraduate degree program, subject to the specific requirements of the degree program. Students may apply course credit to both a degree and the Diploma when the programs are completed concurrently, or when the diploma is completed first.

The program requires completion of 15.0 units through the following courses:

1. **Core courses:** AHVS 486A, 486B and 487A.
2. **Elective courses:** 10.5 units selected from AHVS 386, AHVS 488A-Y, 489A-L, 486A, 486B, 487A, 491A, 491B.

Applicants who have previously received credit in a degree program for any of these core courses will be allowed to substitute up to 4.5 units of courses with the approval of the Academic Adviser.

Students may apply to obtain up to 4.5 units of transfer credit for equivalent courses.

Diploma students who fail to maintain a GPA of at least 5.0 may be asked to withdraw from the program.

Other students may register in individual courses in the diploma program as enrolment allows.

Cultural Resource Management Co-op Option

Diploma candidates who complete one or more work terms through the Co-operative Education Program will receive Co-op notation.

Students who participate in the Co-operative Education Option are normally required to complete one work term after the completion of core courses and a minimum of three special topic courses. They are normally required to complete an AHVS 488 or AHVS 489 elective or AHVS 491A Directed Studies in Cultural Resource Management (1.5) instead of AHVS 491B Internship in Cultural Resource Management (1.5).

Co-operative education students within the Diploma Program in Cultural Resource Management will normally be required to complete all their program requirements within a 24-month period in order to maintain the full-time status required for participation in the Co-operative Education Program. General regulations pertaining to Co-operative Education Programs of the University of Victoria are found on "General Regulations: Undergraduate Co-op" (page 62). For further information on the Co-operative Education Option and to apply for the Co-op program, visit the Co-op website at: <www.uvic.ca/coopandcareer/co-op/info-by-program/other-programs/index.php/>.

UNIVERSITY OF VICTORIA ART COLLECTIONS

An important resource for the Department of Art History and Visual Studies is the University of Victoria Art Collections. The UVAC administers the Maltwood Collection (an international collection of decorative arts including special emphasis on the Arts and Crafts movement from William Morris to the 1920s) and the University Collection (an extensive collection of western Canadian contemporary art in all media).

The specialized museological library, study gallery and varied exhibition programs give students a chance to work directly with materials and gain first-hand experience in the operations of a university museum. The primary exhibition and teaching spaces are located at the Legacy Art Gallery, downtown Victoria, 604 Yates Street <uvac.uvic.ca>. The Maltwood Prints and Drawings Gallery in the MacPherson Library also provided exhibition and teaching spaces.

MUSIC PROGRAMS

For Humanities and Fine Arts Co-operative Education information,
 please see "Humanities and Fine Arts Co-operative Education
 Program" page 134.

For students who wish to prepare themselves for careers or graduate
 study in music, the School of Music offers Majors in Composition and
 Theory, Music Education, Music History and Literature, Musical Arts and
 Performance leading to the degree of Bachelor of Music, and a combined

Major in Music and Computer Science leading to the degree of Bachelor
 of Fine Arts or Bachelor of Science. The School also offers a Minor in
 Music.

ADMISSION REQUIREMENTS

Enrolment in the Bachelor of Music program is limited at the present time
 to approximately 200 students.

Applicants from Secondary School

Applicants to the BMus program must apply to Undergraduate
 Admissions for acceptance to the University and must audition for
 acceptance to the School of Music. The School requires that all
 prospective students demonstrate ability in an accepted performance
 area (instrument or voice). For this purpose a personal audition is
 recommended; if an in-person audition is not possible, a recording may
 be submitted instead. All applicants must submit two letters of
 recommendation from qualified musicians. Auditions are held each year
 beginning in February. Students are urged to apply as early as possible;
 places cannot be guaranteed for qualified applicants once positions are
 filled. Applicants to the Combined Major in Music and Computer Science
 must apply to Undergraduate Admissions for acceptance to the
 University and must submit a supplemental application.
 <www.finearts.uvic.ca/forms/music/csc/>.

Current high school students should apply by February 28 for early
 admission. See <www.uvic.ca/future-students/undergraduate/apply/>.

Audition appointments and further information may be obtained from:

Transfers from Other Institutions

Students transferring from other institutions follow the application
 procedure described in the preceding paragraph. Applicants from BC
 colleges and universities may consult the BC Transfer Guide (online at
 <www.bctransferguide.ca/>) for information on the transferability of
 specific courses to UVic. Credit earned outside BC will be evaluated on a
 course-by-course basis when the student is admitted. This credit and
 School admission procedures will determine into which year of studies
 the student will be accepted. Students intending to major in Music
 Education must first take either MUS 131 or MUS 231 and then be
 interviewed by Music Education Faculty in March of that academic year
 to determine admissibility. A special performance audition is required for
 transfer into the Performance Program. Depending on the area, this may
 be scheduled at the regular spring audition, but it must take place no
 later than the first two weeks of the fall term. Students should contact the
 Head of Performance or the Professor of their instrument for details. (No
 students are permitted to transfer directly into the final or fourth year).
 Students must pass a successful performance audition by the time they
 begin their third year. For information on undergraduate admissions
 procedures and deadlines, see "Undergraduate Admission" (page 29).

PROGRAM REQUIREMENTS

Requirements Common to All BMus Degrees

All BMus students, regardless of their eventual choice of Major, are
 required to take a common first-year program.

MUS 101B	1.5
MUS 116	1.5
MUS 121	1.5

1. Upon acceptance to the School of Music, students will also be required to pass a theory entrance exam covering rudimentary skills. Students who do not pass this exam will be required to take MUS 111 as a music elective prior to advancing to MUS 101A the following year.
2. Students in the music education program must complete 3.0 units of approved English and demonstrate competency in written English to qualify for admission to the Faculty of Education's Secondary Post-Degree Professional Program (Diploma or BEd). Students should consult a teacher education adviser in Education for complete admission requirements.
3. Students wishing to major in Music Education must register in MUS 131 which replaces the non-music elective.
4. Students wishing to major in Composition must register in MUS 105 which replaces the non-music elective.

Proficiency at the keyboard is an important skill for all musicians and one that is required of all BMus students for graduation. Students can fulfill this requirement in two ways: (1) provide documentation of passing Royal Conservatory grade level 5 or higher; or (2) pass the School's keyboard proficiency test which is administered at the start of the fall term. Group piano classes are offered by the Department of Curriculum and Instruction EDCI 208/308 as a resource for students who need assistance.

At the end of the common first year, each student will be assigned a faculty adviser who will assist in selecting appropriate elective courses, ensure that program requirements are satisfied and oversee year-to-year progress by means of consultation with their instrumental instructors (aided by auditions in certain sections). Students intending to major in Music Education must have enrolled in MUS 131. They will then be interviewed by Music Education Faculty in March of first year. Entrance into the Composition Major is determined by portfolio audition at the end of a student's first year. Entrance into the Performance Major is by audition after first or second year, but no later than the beginning of a student's third year of study. Majors in Musical Arts or Music History and Literature must be declared by the start of third year. Declaration of Degree forms are available from the School of Music office by October 15 of each year. Students are placed in Large Ensembles (MUS 180A-G to MUS 480A-G) by an Ensemble Committee every year, according to each student's educational needs and the needs of the School. Registration is required for one of these groups. Large Ensemble courses can be taken to a maximum of 10.0 units.

Major Program Requirements

Acceptance into the Major Program of the student's choice and continuance in that Major must be approved by the appropriate division of the School. A student whose progress is judged to be unsatisfactory may be refused permission to continue in the chosen original Major. A student who fails to achieve a grade of 65% or better in individual tuition (MUS 140-440) or Seminar in Performance (MUS 245-445) will have his or her status re-evaluated by a committee consisting of the student's teacher, the student's adviser, the head of the performance section, and

the Director of the School. In some cases the committee may determine that the student should be required to withdraw from the BMus program. Students who are required to withdraw, or who choose to withdraw, from an individual tuition (MUS 140-440) or seminar in performance course (MUS 245-445) will be required to re-audition in order to remain in or return to a BMus program.

Exceptions to program requirements can be made only in special cases and with the written approval of the Director. Courses are to be taken in the sequence shown in the separate programs.

THEATRE PROGRAMS

For Humanities and Fine Arts Co-operative Education information, please see "Humanities and Fine Arts Co-operative Education Program" on page 134.

The degree programs in Theatre are intended for students who wish to prepare for a career in professional, educational or community theatre or who wish to continue their studies in graduate or professional schools. The philosophy of the Theatre department is that the theatre should be studied in all its aspects and that it is best approached through a curriculum that leads to performance.

Through all courses and productions, students are encouraged to focus on fundamental creative, interpretive, performative and technical skills as they study the historical, contemporary and educational theories and practices of the theatre arts.

The department offers undergraduate students two programs: a BA Honours Program in Theatre History and a BFA program with a major in Theatre. In the latter program, students select one of seven Focus options. A Co-op program is also available.

Students will be required to take part in rehearsals and performances. No student may register in an evening course without the permission of the department.

BA Honours in Theatre History

Students may enter the Honours Program with a minimum third-year standing, having completed at least 7.5 units of Theatre with a minimum GPA of 6.0 in Theatre History courses.

A third-year Honours student whose GPA falls below 3.5 in that year, or below 6.0 in designated Theatre History courses, will normally be required to withdraw from the Honours Program.

A fourth-year student whose graduating GPA is lower than 3.5, but who otherwise meets the University's requirements for graduation, will receive a BFA in the Theatre History Focus if the BFA requirements have been met.

BFA in Theatre

Theatre students must select one of the seven Focus options:

- Applied Theatre
- Design
- Directing
- Performance
- Production and Management
- Self-Directed
- Theatre History

With the exception of the Self-Directed Focus, students must normally have an average of 5.0 (B) in Theatre courses of their focus option to be admitted and advanced.

Acceptance and continuance in a Major Program is subject to approval by the department.

Applied Theatre Focus

Students may enter the Applied Theatre Focus after completing the first-year Theatre requirements. The Applied Theatre program allies the art of the theatre with effective pedagogy to build upon the growing recognition of theatre as an educative methodology in matters of social, political, economic and therapeutic concerns. The program provides the theoretical and experiential foundations that will serve those who wish to examine the use of theatre forms as they apply to teaching and/or non-theatrical settings, such as cultural, recreation and community centres, historic and environmental sites, museums, prisons, hospitals, social service and health agencies.

Students considering careers in elementary, middle or secondary schools are urged to consult with the Teacher Education Advising Office early to plan their undergraduate programs.

Design Focus

Students may enter the Design Focus after completing the second-year Theatre courses required for this focus.

Directing Focus

Students may enter the Directing Focus after completing the second-year Theatre courses required for this focus.

The Directing Focus is a preparatory program only. The foundation of its philosophy is that emerging directors must first secure a strong liberal arts education, as well as experience in all aspects of theatre production, before moving on to an in-depth study of directing. Students seeking entry into this option should secure the advice of the department on all required and elective courses before the end of their first year of the Theatre Program.

Performance Focus

Students may enter the Performance Focus after completing the first-year Theatre requirements. Enrolment is limited. Admission is by audition and interview only and permission of the department is required.

Production and Management Focus

Students may enter the Production and Management Focus after completing the second-year Theatre courses required for this focus. Enrolment is limited. Selection is by interview. Permission of the department is required.

Self-Directed Focus

Students may enter the Self-Directed Focus after completing the first-year Theatre requirements. Students who wish to pursue a greater scope in their Theatre studies, or who wish to combine their Theatre studies with a wide range of other liberal arts disciplines, should select the Self-Directed Option.

Theatre History Focus

Students may enter the Theatre History Focus after completing the second-year Theatre requirements.

PROGRAM ADMISSIONS

Applicants from Secondary School

Students must apply separately to the Department of Theatre and to Undergraduate Admissions for acceptance to the University. The deadline for applications to the Department of Theatre and to Undergraduate Admissions is February 28. There is a Questionnaire and Admissions Package to be submitted as part of the Theatre application. Details can be obtained on the website at <finearts.uvic.ca/theatre/admission>.

Transcripts in progress should be sent to Undergraduate Admissions as soon as possible. Final transcripts are due in Undergraduate Admissions by May 31. Details may be obtained from the Secretary of the Department of Theatre.

Deferred enrolment is not permitted. Any student who declines admission and wishes to enter the department at a later date must re-apply following the above-stated admission procedures.

Transfers from Other Universities and Colleges

Applicants transferring from other institutions should follow the admission procedure described in the preceding paragraph. Transfer students may be requested to attend an interview and/or audition (and therefore make a campus visit). These visits usually take place during a weekend in March or April.

Transfer credit from BC community colleges will be assigned according to the equivalencies set out on the BCCAT website at <www.bccat.bc.ca> for the year in which the courses were completed. Transfer credit for Theatre courses completed at other accredited institutions is determined by the department and Undergraduate Admissions. This credit and the department admission procedures will determine into which year of studies the student will be accepted.

Acceptance into the Department of Theatre by either of the above routes is subject to an annual review of the student's progress by the department Chair in consultation with the appropriate advisory committee.

Students planning to go into Education should check with the Teacher Education Advising Office regarding requirements.

Required courses for all Department of Theatre programs are outlined below.

Admission to Specific Courses

The number of students who are eligible for Theatre courses may exceed the places available. Students should understand that eligibility does not guarantee them admission into specific courses. To gain entry into courses, students must be prepared to meet departmental attendance regulations, must not be overenrolled and must pay any fees or fines that may affect university standing. Students must attend all classes including the first. If they do not attend the second class in a course with a limited enrolment, they may be deregistered.

Students Please Note: If you do not attend the second class in a course you must contact the instructor to get permission to remain in the class. If you do not get permission from the instructor, you may be removed from the course.

Work Outside the Department

All Theatre students are strongly advised to consult the Chair before accepting any theatre, film, television or other media work outside the department.

Students must ensure that they have the necessary prerequisites to register in upper level courses. No more than 3 units of the upper-level course work required for the Minor can be taken outside the department.

Courses taken for the Minor cannot be used to complete requirements for an Honours or Major Program. However, they can be used to satisfy prerequisites.

A student may also complete a General Program that combines a Theatre Minor with one of the General Programs in Humanities or Social Sciences. The degree will be a BA awarded by the faculty offering the General Program.

Students intending to pursue a Minor in Theatre should consult with the Fine Arts Undergraduate Advisor to develop a structured, coherent program.

DIRECTED STUDIES

Directed Studies may, with permission of the department, be taken more than once.

Students wishing to pursue a course of directed studies must, with a faculty member who is willing to supervise such a course, formulate a proposal accurately describing the course content, the intended method and extent of supervision, and the method by which work will be evaluated. The proposal must then receive the approval of the Chair of the department.

Proposals will normally be subject to the following limitations:

- The student must achieve a minimum GPA of 7.0 (A-) in courses directly related to the proposed directed studies.
- No more than 9 units of directed studies credit will count for credit towards the BFA.
- No more than 6 units of directed studies will be approved in any single winter session.

VISUAL ARTS PROGRAMS

For Humanities and Fine Arts Co-operative Education information, please see "Humanities and Fine Arts Co-operative Education Program" (page 134).

The department offers an undergraduate program leading to the degree of BFA, Visual Arts Honours or Visual Arts Major. A Visual Arts Minor is also offered. A portfolio is not required for a Visual Arts Minor. In addition, students may complete a BFA or BSc combined degree program in Visual Arts and Computer Science. The department also offers a two-year graduate program leading to an MFA in Visual Arts.

The academic emphasis of the department is on contemporary art practices, rather than applied or craft training. The program is designed to provide intensive studio experience in a critical setting pertinent to the pursuit of art in our culture. Studies are enriched by visiting artists and critics, and the presence of graduate students from Canada and abroad. In addition to the regular program, the department may offer courses each summer which are staffed by notable visiting artists.

PROGRAM ADMISSIONS

Applicants from Secondary School

Applicants from secondary schools must complete the usual procedures for admission to the University (see "Undergraduate Admission", page 29) and must select the B.F.A. Visual Arts degree program option. Application deadline is February 28. The department further requires that the following materials be submitted directly to the Visual Arts department (deadline March 9) for review by the selection committee:

- a Visual Arts questionnaire (completed as part of the online submission at <finearts.uvic.ca/visualarts/prospective_students/undergrad>.)
- a portfolio of still images or a combination of images and video. (Consult the Visual Arts website for details regarding portfolio submission.)

Transcripts in progress should be sent to Undergraduate Admissions on application. Final transcripts are due by May 31.

Transfers from Other Institutions

The application procedure is generally the same as that specified for applicants from secondary school (see above).

Transfer credit will be assigned as listed in the BC Transfer Guide, or evaluated as necessary. Final transcripts for transfer students are due in Undergrad Admissions by May 31.

Note: Students will normally not be admitted into third- and fourth-year studio courses until their out-of-department elective requirements for the first and second year have been met.

Transfers from Other UVic Faculties

Transfer applicants from other faculties should complete the usual procedures for re-registration as specified under "Undergraduate Reregistration" (page 37). Portfolio and questionnaire submissions are the same for all applicants as described above.

PROGRAM REQUIREMENTS

All Visual Arts studio courses involve a minimum of three hours of out-of-class studio time. Department facilities are available for completion of studio projects.

Honours Program

Students must normally complete 37.5 units of Department offerings as specified below. Of the total of 60 units at least 21 units must be chosen from outside the Department of Visual Arts, including 6 units of Art History and Visual Studies (AHVS) or 4.5 units of Art History and Visual Studies and 1.5 units of ART 151.

Normally no more than 3 units of other course work may be taken concurrently with the combination of ART 406 or ART 495 and ART 401. ART 401 must be taken concurrently with ART 406 or ART 495.

To qualify for the Honours Program students must have:

1. Completed 9.0 units of ART courses at the 300 level including ART 306 or 395
2. Have a minimum GPA of 7.0 (A-) in the ART courses at the 300 level
3. Permission of the Department

Standing at Graduation

Fourth year students whose graduating GPA does not meet a minimum of 3.5 and whose GPA in ART courses at the 300 and 400 level is below 7.0 or A-, but who otherwise meet the University requirements for graduation, will receive a BFA with a Major in Visual Arts.

Please note: All students have to satisfy the Academic Writing Requirement (see "Academic Writing Requirement" (page 40).

For the Minor in Professional Writing in Journalism and Publishing Co-op Option information, please see "Minor in Professional Writing in Journalism and Publishing Co-op Option" (page 151).

The Department of Writing offers the following program options:

- Minor in Creative Writing
- Minor in Professional Writing in Journalism and Publishing
- Film Studies Minor (interdisciplinary, various departments; see "Film Studies Program" description on page 330)

PROGRAM ADMISSIONS

Applicants from Other Institutions

Transfer credit in writing courses does not necessarily satisfy UVic's Writing requirements. The prerequisite for all second-year workshops is WRIT 100 with a minimum of B (73-76). Few are given permission to bypass this course, but students with a minimum of 12 post-secondary units may apply for Advanced Standing by submitting a portfolio of written work, a list of relevant courses completed, and a letter outlining their suitability. Only portfolios received between January 15 and April 15 will be considered. (See the Department of Writing website <finearts.uvic.ca/writing/admission.html> or contact the departmental office for more details.) Recipients of Advanced Standing are advised that they must meet all the University's admission requirements. Advanced Standing does not guarantee acceptance to the University or to any of the department's classes.

Transfer credit for courses expressed in the BC Transfer Guide as WRIT 100-level does not satisfy WRIT 100.

Admission to Specific Courses

Although the programs offered by the Writing department are mainly intended for students who have shown some ability as writers, a number of lecture courses are also included which may be of interest and value to all students.

Since the number of candidates who meet the minimum requirements for eligibility exceeds the places available, students should understand that eligibility does not guarantee them admission into specific courses or programs in Writing. To gain entry into courses students must attend all classes, including the first. If they do not attend the second class in a course with a limited enrolment (e.g., all workshops), they will be deregistered.

Second, Third and Fourth Year Workshops

Students require a grade of B or higher in WRIT 100 to advance into second year workshops. These are minimal standards and do not guarantee admission.

No student will be permitted to take more than 1.5 units of workshops in a single genre per term, or more than 3.0 units of workshops in any given term. Special and Directed Studies courses are designed for those teaching situations which cannot be covered in regular workshops. No writing projects which might be covered in a regular workshop will be permitted within such special courses.

PROGRAM REQUIREMENTS

Major Program

Students in the Writing Major program are required to take:

1. WRIT 100 with a grade of B or better
2. FA 101
3. 3.0 units from WRIT 201A, 202A, 203A, 204A or 218A
4. 3.0 units from WRIT 201B, 202B, 203B, 204B or 218B
5. 15.0 units of 300- or 400-level Writing, including 4.5 units of workshops in a single genre. Only 1.5 units of WRIT 320 or 325 can be used towards the workshop requirement.

WRIT 215 may not be counted as part of a Writing Major.

WRIT 306, 307, 308, 309, 310, 311, 312, 313, 314, 315, 316, 320, 321, 322, 324, 326, 329, 330, 331, 335, 336, 340, 350, 353, 400, 405, 406, 410, 412, 416, 420 and 440 may count toward either a Major in Writing or a Minor in Professional Writing in Journalism and Publishing, but not both.

Students are advised to work toward a Double Major, since enrolment in workshops is limited, and spaces are not guaranteed. Without a concentration of courses in a separate discipline, students may find themselves delayed in graduating.

If at least 9 units of electives are chosen from courses offered by other departments within the Faculty of Fine Arts, the degree awarded may be either the BFA or the BA of the Faculty of Fine Arts. If fewer than 9 units of electives from the Faculty of Fine Arts are chosen, the degree awarded will be the BA of the Faculty of Fine Arts.

Students who intend to use Professional Writing courses from the English Department as electives must ensure that they acquire the necessary ENGL prerequisites.

Courses taken for the Minor cannot be used to complete requirements for a Major or Honours Program. However, they can be used to satisfy co- or prerequisites.

A student may also complete a general degree program that combines a Minor in Professional Writing in Journalism and Publishing with one of the General programs in Humanities or Social Science. The degree will be a BA awarded by the faculty offering the General program.

While participation in the Professional Writing Co-op (see below) is not mandatory, it is highly recommended.

Writing/Theatre Focus

Students wishing to pursue a double Major in Writing and Theatre must be accepted into both departments. Students must apply to Writing by March 31 and to Theatre by February 28 for a September start. Please visit each department's web site to determine what is required for admission. Students should contact Fine Arts Advising to obtain assistance with planning their program.
